Mexborough St John the Baptist C.E Primary School

| Year 3	Drawing: Daniel Voshart

Daniel Voshart

Examples of his work

Vocabulary

cross - hatching	Drawing two layers of lines at right angles to create a pattern
depth	The distance forwards or backwards
density	The amount of pencil marks in an area
even	The same
hatching	Lots of lines in one direction
rework	Make changes to a piece of art
shading	Adding light or dark to a drawing
smooth	The texture of an object with no bumps or rough areas
space	The gap between objects
stippling	Using small dots to make a pattern
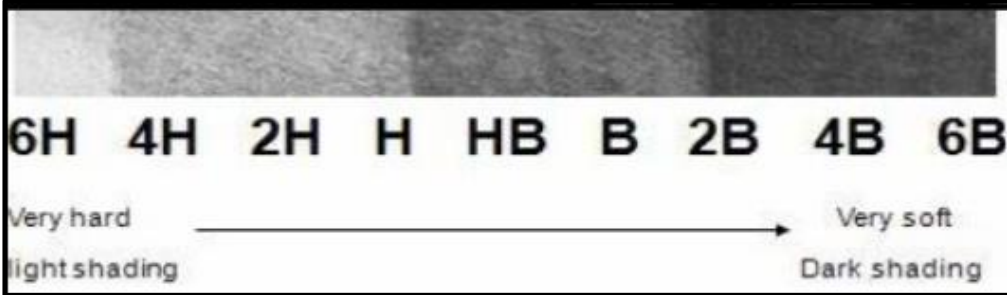

We will use different grades of pencil
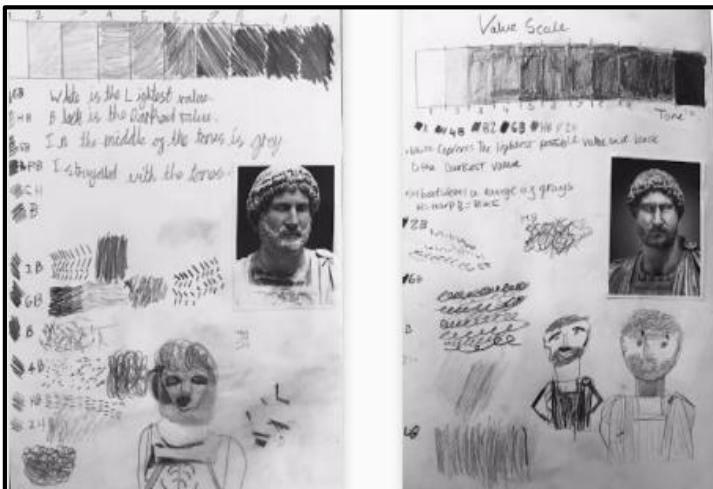

We will use sketchbooks to explore ideas and try different techniques.

We can make real life observations or use our imagination.

Daniel Voshart

Daniel Voshart is a Canadian artist. He uses computer programs to produce his art. He observed Roman artefacts to help recreate images of the Roman Emperors.

We will use sketchbooks to develop ideas and techniques. We will explore using shapes and patterns. During Year 3 we learn about famous people from Roman era. We will use our topic work as inspiration for drawing our own Roman Emperors and architecture.

Famous work by this artist include his Roman Emperor Project, recreating faces from the past.
