

## Cherry Tree Class Newsletter - Autumn 1 - September 2021

Dear parents and carers,

I hope you had a lovely Summer! I'm very excited for our new school year and have some exciting things planned for the upcoming term. It has been so much fun meeting our new children this week. Everyone has settled beautifully, and I cannot wait to start making marvellous memories together.

### **Our learning this half term:**

This term we will be focusing primarily on settling into Nursery and learning to follow our class routines and rules. We will be carrying out daily phonics, maths and story carpet times alongside important interventions. Our main intervention will be 'Talk Boost'. This intervention focusses heavily on language development, something very important in Cherry Tree class.

### **Book at Bedtime:**

In October, you will be invited to our 'Book at Bedtime' session. This will introduce our exciting reading home learning activity, I will be in touch shortly to organise this event. In the meantime, please make sure you are sharing lots of bedtime stories with your child 😊

### **Please remember:**

Please make sure you pack spare clothes for your child daily. This is not necessarily for accidents, we also need them in case they get muddy or wet outdoors so please make sure your child always has spares.

If your child requires their nappy/pull-up changing, please include these in your child's bag as well as bags and wipes for us to change your child. It is also important you inform us if your child is not yet toilet trained. This will ensure we are aware and can change your child when necessary.

### **Any questions?**

If you have any questions or queries please ask me at drop-off or collection time. Alternatively, please e-mail or phone our school office and request a phone call.
