Rotherham

Year 1: **Term** 1.1

Theme: The caring school and Feelings, friends and friendships

Learni	ng Objectives:
H1g	Isolation and loneliness can affect children and that it is very important for children to discuss their feelings with an adult and seek support.
R1c	That others' families, either in school or in the wider world, sometimes look different from their family, but that they should respect those differences and
	know that other children's families are also characterised by love and care.
R2a	How important friendships are in making us feel happy and secure, and how people choose and make friends.
R2b	The characteristics of friendships, including mutual respect, truthfulness, trustworthiness, loyalty, kindness, generosity, trust, sharing interests and
	experiences and support with problems and difficulties.
R2c	That healthy friendships are positive and welcoming towards others, and do not make others feel lonely or excluded.
R3a	The importance of respecting others, even when they are very different from them (for example, physically, in character, personality or backgrounds), or
	make different choices or have different preferences or beliefs.
To reco	ognise ways in which we can promote a caring trusting environment.
To see	ourselves as a valued and valuable member of the school community.

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
• How can we make this a happy place for everyone to work and play?	 Agreed class/school rules Choose playmates, monitors, etc. (positions of responsibility) from within the class Set up classroom procedure and expectations If necessary, do some 'getting to know you' activities during circle time Take time to set up a safe learning environment 		 Alike Angry Argue Bored Broken Bullies Caring
 What is a friend? How do we learn to value different? Making and breaking friends 	 Discuss friends children have made in and out of school. Make a picture of a network of friends. They can place themselves in the middle of a group of friends and place photographs around of 	Expect Respect Toolkit Section 2: Year 1	 Choice(s) Consequences Cooperation Different Disappointed Excited Fair Favourite Feelings Friend(s)

	because		Solution
	• Ask the children to remember when they were		• Something I'd like to know about you is
	thinking about how they are similar to other		Special
	people. Now ask them to think about what makes		Trust
	them different from other people, e.g. name,		Wrong
	personality, likes, dislikes, physical differences, e.g.		
	hair colour, size and shape of body		

Year 1: Term 1.2 Theme: Focus on special people and anti-bullying

Learni	ng Objectives:
R1a	That families are important for children growing up because they can give love, security and stability.
R1b	The characteristics of healthy family life, commitment to each other, including in times of difficulty, protection and care for children and other family
	members, the importance of spending time together and sharing each other's lives.
R1c	That others' families, either in school or in the wider world, sometimes look different from their family, but that they should respect those differences and
	know that other children's families are also characterised by love and care.
R1d	That stable, caring relationships, which may be of different types, are at the heart of happy families, and are important for children's security as they grow up.
R1f	How to recognise if family relationships are making them feel unhappy or unsafe and how to seek help or advice from others if needed.
R3d	The importance of self-respect and how this links to their own happiness.
R3f	about different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and
	how to get help.
R3g	What a stereotype is and how stereotypes can be unfair, negative or destructive.
R4a	That people sometimes behave differently online, including by pretending to be someone they are not

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
• How are families different?	• Explore different families through stories and cartoons e.g.	Suitable books:-	Alike
	Peppa Pig – traditional family, The Gruffalo – single family, 2	The Different Dragon	Behaviour
	mummies and 2 daddies.	Picnic in the Park	Bully
		Robopop	Different
		We are family	Different
			Favourite
		CHIPS – Year 1	Feelings
		Stonewall website	Friendly
• Who are my special people?	Discussion – special people at home, school, elsewhere and		Friendship
	how they make them happy? What do they do together?		• Fun
	What do they share? What do they say to them? How often	Stonewall website	 Interesting
	do they see them? What do they look like? How do they		Kind
	speak? Explain how unique each one of these people is		Network
	Promote inclusion by reading to class from picture books		Positive
	highlighting the different make up of families (2 dads, 2 mums,		Same
	single parent and 1 mum/1 dad families)		Same as

hool Im	provement Service
---------	-------------------

	• Stonewall Plan KS1: Year 1 and 2 – Lesson 1: Who do you love?		Share
What do I do with my special people?	 Discuss what special people do to make you happy/upset/sad/angry. Emphasise that all of us experience these emotions Discuss what they do to make their special people happy/upset/sad/angry. Encourage the children to share the content of the lesson at home Identify who we can talk to if we need help, who are our trusted adults. 	NSPCC website and assemblies.	 Special Tell Treasure
 Who are the special people, who help me? What is the role of people who keep me safe? 	 List e.g. doctors, nurse, school crossing patrol officer, school mates, supervisor, etc. whom they meet in day-to-day life. Is this a different kind of relationship to the one they have with their family? Use a story/video to illustrate how police/fire service, etc. can help us. Ask the children to discuss the work of the police and express their ideas have with their family? Draw and write activity – draw a firefighter, a nurse, a car mechanic, a soldier etc. Challenge the stereotypes identified from the draw and write activity. Consider visitors that challenge stereotypes into school – e.g. male nurse, female soldier (see video references in resources) 	Visitors – nurse, school crossing patrol officer, etc. or visits to doctors, etc. www.inspiringthefuture.org #redrawthebalance stereotypes video	
 What is bullying? Consider the national annual theme 	 Discuss what is bullying and the different types of bullying, including cyber-bullying. Be explicit that bullying is sustained, deliberate and over time (remember 1 online incident is the same as repeated bullying due to the wider audience) Cyber bullying can be saying an unkind word in a message or sending a picture. Discuss what rude, mean and bullying is (see is it bullying poster) 	Anti-bullying Alliance Andy and the Oddsocks CBeebies Ann Foxley-Johnson Worry Monster	
 How can bullying be prevented 	Make an anti-bullying rapMake a class pledge to be kind friends		

Page 7 of 108

Year 1: **Term** 2.1 **Theme**: Keeping healthy – Healthy eating and hygiene

Learnin	Learning Objectives:		
H3a	The characteristics and mental and physical benefits of an active lifestyle.		
H4a	What constitutes a healthy diet (including understanding calories and other nutritional content)?		
H4b	The principles of planning and preparing a range of healthy meals.		
H6d	About dental health and the benefits of good oral hygiene and dental flossing, including regular check-ups at the dentist.		
H6e	About personal hygiene and germs including bacteria, viruses, how they are spread and treated, and the importance of handwashing.		

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
• What does healthy eating mean to me?	• Mind map, chart. Draw a picture of themselves feeling hungry with associated words, e.g. 'pain in the tummy'. Collect these words. Ask children to draw and label foods and drinks they think keep them healthy. This can be presented in a variety of ways, e.g. charts, pictorially, etc.	Public Health England	 Aware Barbecue Bones Break Breakfast
• Why and what do I eat?	 Taste investigation. List foods – likes/dislikes. Encourage children to share their ideas with the rest of the group. This activity provides opportunities to talk about other people's foods/food traditions. Encourage children to become more aware of different lifestyles as well as differences in healthy lifestyles 	Book – Eat your greens Goldilocks	 Choose Clean Decide Dinner Energy Feast
• How much sugar does my food and drink contain?	 Look at various foods and drinks familiar to children and measure out the sugar content. Children to order the foods/drinks from healthiest to least healthy. Explain that these can be enjoyed as part of a healthy and balanced diet 	Change for Life Tesco visit Local dental nurse/visit to dentist	 Grow Healthy Hungry Hygiene Lunch
Choosing for myself	• Look at an unhealthy lunch box, children to consider healthy swaps. Use change for life sugar swaps as a guide.	BBC Bitesize – Barnaby and Becky visit the allotments. Change for Life	MealsPartyPicnic
• To be aware of basic personal hygiene.	 Hygiene rules/reasons. Discuss ways in which food can be made to stay fresh and clean. Focus on day-to-day hygiene, in particular washing hands before eating, after playing with pets and after using the toilet 	Books – Traditional tales about hygiene. Stinky Jack and the Beanstalk, Rapunzel Rapunzel wash your hair	 Snack Snacks Soap Supper

	Primary Personal, Social and Health Education - Scher	ne of Work for Years 1-6	School Improvement Service
	Feely bag – full of resources that help us to keep clean and		Take away
	healthy, e.g. soap, toothbrush/paste, hairbrush, shampoo,		• Tea
	deodorant, bubble bath, tissues		
• What are the benefits of good	 Model how to brush teeth, children to have a go. 	Bright Smiles – every child can have a	
oral hygiene?	Use story books from resources.	free toothbrush, lesson plans available	
• How can I look after my teeth?	Learn the toothbrush song		
		Books:	
		The crocodile and the dentist	
		Crocodile with the big scary smile	
		Zoe Zookeeper	
		Give us a smile Cinderella	

Notes to staff:	Role play – shop, dentist, gymnasium, hairdresser, doctor, nurse	
	Small world – to reinforce topic	
	Links to breakfast clubs, fruit/water, packed lunches – health eating initiatives	
	Cross-curricular link to Geography, Numeracy (time), data handling	
	Links with Community Dietician – invite to school to look at 'balanced diet'	
	Links with '5 a Day' initiative	

Page 9 of 108

Year 1: Term 2.2 Theme: Physical health and wellbeing

Learni	Learning Objectives:		
H3a	The characteristics and mental and physical benefits of an active lifestyle.		
H2b	The benefits of rationing time spent online, the risks of excessive time spent n electronic devices and the impact of positive and negative content online on		
	their own and other's mental and physical well-being.		
H3b	The importance of building regular exercise into daily and weekly routines and how to achieve this; for example walking or cycling to school, a daily active		
	mile or other forms of regular, vigorous exercise.		
H1c	How to recognise and talk about their emotions, including having a varied vocabulary of words to use when talking about their own and others' feelings.		
H1e	The benefits of physical exercise, time outdoors, community participation, voluntary and service- based activity on mental wellbeing and happiness.		
H6c	The importance of sufficient good quality sleep for good health and that a lack of sleep can affect weight, mood and ability to learn.		

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
What effect does exercise have	Game – mime an action/activity to a partner		Angry
on our bodies?	 Play games that promote physical exercise and observe the 		Anxious
	effects on our bodies e.g. racing heart, hot, thirsty, feel good.		• Blood
• Why is exercise important?	 Ask the children to brainstorm all the things they can do 	Keep running gingerbread man	Breathing
Is lots of screen time good for	now with their bodies. Celebrate how much they have		Embarrassed (etc.)
you? Why/Why not?	learned since they were born		Energy
	 Produce a collaborative display of sporting activities and 	Variety of magazines	Excited
	the different ways in which people exercise		Exercise
	 Game – mime an action/activity to a partner 		• Нарру
	 Discuss and list reasons why exercise is important 		Heart rate
	• Talk about the devices they use and the apps they access at		• Keep-fit
	home. Does this type of activity keep them fit and healthy?		Lonely
	 Compare with spending excessive time online/watching 		Muscles
	TV/playing games on devices – how does this make you		• Pulse
	feel?		• Relax
How can we exercise	• The importance of getting regular exercise – children generate	Change for Life	• Sad
regularly?	ideas to exercise at home (that doesn't cost anything) develop	Cosmic Yoga	• Scared
	a 10 minute exercise routine to share with family.		• Sport
• Why is it important to sleep?	Discuss bedtime routines with children.	The Sleep Factor – lesson plans and	Stress
	 Explain importance of quality sleep on body and mind – how 	PowerPoints (PSHE Association	Sweating

Updated October 2019

	do we feel when we are tired? How does this affect our	Member's only)	Worried
	behaviour/learning/choices?		
	Make dreamcatchers	Webster's Bedtime	
What are emotions?	• Explore the different types of emotions – use pictures of	How are you feeling today?	
	different children. How are they feeling? Why might they be feeling this way?	Mollie Porter	
	 Identify the names of different emotions – explore language. Listen to music and children write how it makes them feel e.g. 		
	Bruno Mars – You are beautiful, Queen – Don't Stop me Now, Halloween – spooky music, Beatles – Get by with a Little Help from my Friends.		
• How to manage emotions?	Use scenarios to explore different emotions. Children select an emoji to reflect on the characters feelings. Children think of		
	tips and advice to the help the characters e.g. breathing exercises, listening to music, talking to a trusted adult		

Page 11 of 108

Year 1: Term 3.1 Theme: Growing and changing

Learning Objectives:			
R5a	R5a What sorts of boundaries are appropriate in friendships with peers and others (including in a digital context).		
R5c	c That each person's body belongs to them, and the differences between appropriate and inappropriate or unsafe physical, and other, contact.		
Lifecycles			
To recognise how they are growing and changing.			

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
• Which parts of me are	Bring in photographs from home and compare	BBC Bitesize clips – KS1 Science growth	Change
growing?	similarities/differences from being a baby to current age.	and change	Community
Now I am growing up, what	Discuss memories of when they were younger (baby books)		Describe
can I do?	• Discuss becoming more independence (N.B. safety issues)		Different
	What can I do now?		Evidence
	What will I be able to do soon?		Growing up
	Things I can't do yet		Home
What made me grow/who	• List/draw and label all the people and things that helped them	BBC Watch: 'Birth Care and Grow'	Picture
helped me to grow?	to grow. Use the children's combined responses to produce a		Recognise
	large shared poster (Link to Maslow's Hierarchy of Needs)		• Same
	 Invite a parent/carer and baby into class to compare 		• Shape
	differences/similarities between themselves and baby. What		• Size
	do we need to do care for the baby?		Word
	• Compare how a child's needs are similar to other animals e.g.		
	puppies		

Year 1: Term 3.2 Theme: Keeping myself safe

Learnin	Learning Objectives:		
H7a	How to make a clear and efficient call to emergency services if necessary.		
H6b	About safe and unsafe exposure to the sun, and how to reduce the risk of sun damage, including skin cancer.		
R2e	How to recognise who to trust and who not to trust, how to judge when a friendship is making them feel unhappy or uncomfortable, managing conflict, how		
	to manage these situations and how to seek help or advice from others, if needed.		
R4c	C The rules and principles for keeping safe online, how to recognise risks, harmful content and contact, and how to report them.		
To develop skills to keep themselves safe.			

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
How do I keep myself safe?	• Discuss perceptions of what they think they have to keep safe from by drawing pictures of themselves keeping safe, label drawings, giving reasons.		BullyDangerousFeelings
How do children keep themselves safe?	 Talk to children about real and imaginary hazards which are found indoors/outdoors. Identify which would pose a hazard and discuss. Link into characters they may come across online. Discuss physical manifestations of feeling unsafe with children, e.g. butterflies in tummy, nervous, upset, sweating, etc. 	Childnet.com – Smartie the penguin	 Friend Help Home I don't like that I don't want t
• Which secrets should we keep and which should we share?	 Discuss and act out with a partner a safe secret, e.g. hiding mum's birthday present, protecting others' feelings, e.g. from embarrassment Use puppets for children to share anxieties about secrets they should share, e.g. watching a 'bad' video, bullying and being wary of strangers. Discuss how they felt after sharing. Seeing something scary when watching You Tube. What should you do if you see something that you do not like? Who can we talk to if we want to share a secret? 	NSPCC resources	 I'd rather not Imaginary Imagination Know Magic My job No, thank you Please don't Pleased
• How can we stay safe during the holiday?	 What happens if you get too much sun? How does it feel? (Headache, burns, sick, tired) How can we prevent this? (Sunscreen, hats, shade, glasses, water, clothing etc.) Pack a suitcase for a day in the sun. 	Despicable Me Sun safety campaign – You Tube	 Practice Pretend Real Responsible Rules

Primary Personal, Social and Health Educ

	cream etc.) model how to apply and children practice.		School
What are real and pretend people, places?	 Share stories and TV programmes discussing what is real and imagined. Starting point for exploring real and imaginary fears and secrets. Ask the children to consider if these unreal characters/creatures behave differently to real people. List the differences and discuss Discuss with partner, real and imaginary friends they know about. Role play, small world, use of puppets, story boxes, paint images of imaginary friend. Link into e-safety lesson. 	Think you know website.	 School Secret Special Stranger Teach Tell Touch Worried Worry Yes, please
• Do I know how to keep myself safe?	 Use a story where personal safety may be at risk, e.g. a stranger approached a group of children playing. Discuss how the children would react/respond in this situation. Identify safer strangers e.g. police, shop keepers etc. and how to identify them e.g. uniform, name tag. Identify safer buildings e.g. shop, bank, post office, library etc. Know when to trust your instincts if they have a bad feeling about a place or person. Discuss how to make a 999 call in an emergency. 	QCA Citizenship Unit 4: People Who Help Us – The Local Police A Pipkin of Pepper – CBeebies.	

•

School Improvement Service

Primary Personal, Social and Health Education - Scheme of Work for Years 1-6

Year 1: Term 3.3 Theme: The world of drugs

Learning Objectives:			
H5a	15a The facts about legal and illegal harmful substances and associated risks, including smoking, alcohol use and drug taking.		
H7b	Concepts of basic first aid, for example dealing with common injuries, including head injuries.		
To help	To help children understand their role in the safe handling of medicines and substance.		
To reco	gnise that substances can affect our bodies.		

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
 What goes ONTO my body? Who told me to do that? What goes INTO my body? How does it feel? 	 Draw a large outline of a child Ask "what goes onto my body?" Invite the children to give you their own drawings and pictures cut from magazines which can be added to the larger picture, e.g. clothes, ointment, cobwebs, shampoo Categorise the items according to those they believe to be OK (e.g. clothes) Not sure (e.g. glue/paint) Not OK (e.g. "I must not let it touch my body") Practice saying "no" Teacher to lead discussion about things that go into bodies, e.g. medicine, food drinks How did the children react to what entered their bodies, e.g. cried, felt better, tickled nose, didn't like it? 	British Red Cross	 Arms Body Careful Chemicals Chemist Cigarette Cleaning Products Dare Doctor Feelings Harmful Head Injection Injection
 What are medicines and other dangerous substances? Can I recognise medicines and other dangerous substances? 	 This is a good chance to discuss children who take medicines regularly to keep the healthy, e.g. asthma/diabetic and what others can do to help Sit children in a circle on the floor. Explain: a medicine is a drug which people take when they are ill to make them feel better. Ask the children if any of them ever take medicine Arrange 2 hoops on the floor – one for medicines and the other for non-medicines. Give each child or pair an object that is commonly found in the home, e.g. empty packages of medicines (such as Calpol, headache tablets, cough mixture, 	KS1 BBC Bitesize – Why do we take medicine?	 Legs Medicine Medicines Mouth Nicotine Non-medicine Nose Not Sure Nurse Persuade

	Primary Personal, Social and Health Education - Scheme of Work for Years	1-6 Rotherham
	asthma inhaler), cleaning products, bleach, food stuffs, soft	Persuade
	drinks, paint, glue, matches, lighter, cigarettes, alcohol, pet	Persuade
	foods. In turn ask the children to place their object in one of	Pill
	the hoops, ensure they are correctly placed	Protect
	Ask if it is safe to take medicines when you are not ill? What	Rules
	would happen? Ask the children where the items that are not	Safe
	medicines but that could still be harmful are kept/stored (e.g.	Safety
	window sills, shelves, handbags, table, bathroom cupboards,	• Skin
	under the sink, shed, or garage)?	Sniff
• Do I know how to say "No" to	Concluding activity – Play 4 Corners (Say no, say yes, tell	• Stop
something I don't want to do?	someone, ask more questions)	Sure
	Give scenarios that cover the stay safe unit e.g.	Surgery
	An adult offers me medicine.	Syrup
	A stranger offers me some sweets.	Think
	A friend asks if you want to go to their house for tea.	Worried
	My ball has rolled into the road.	

Page 16 of 108

Year 1 Theme: Citizenship and money matters

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
How can I help others?	 Read a story, e.g. Jack and the Beanstalk and explore Jack's actions relating to money and the effect on his family. What could Jack have done with the money instead of buying the beans? Explore the differences between needs and wants Pretend to have received a postcard for the class from Jack and his parent/carer who have gone on holiday; the giant's gold is running out and they want to make the most of what is left without getting in to debt; Jack has also sent the class a pile of gold to ask them what he should do with it. Introduce the pupils to different aspects of personal finance, e.g. Was Jack sensible to spend his money on a holiday? How might Jack keep his money safe? Pupils draw pictures of what they might do when they grow up and earn money (link between income and spending) and also what they might spend their money on if they had lots of money Children reply to Jack's original message saying they would look after his money and explore the idea of where – introduce the idea of banks; children also inform Jack that he needs to get a job to earn some income 	 pfeg 'What Money Means in Primary Schools' resource Pg. 12-13 Follow on from Jack and the Beanstalk What Money Means 'in Action' dvd – using puppets pfeg 'Learning About Money in the Primary Classroom' Pg. 62 pfeg 'My Money Primary Toolkit' Goldilocks and Baby Bear and Jack and the Beanstalk The Gold Coin by Alma F. Ada 	 Bank Belongings Choice Debt Fair Friend Money Money box Needs Own Problem Right Safe Solution Wants Wrong
How can we look after our money?	 Draw a mind map to show different places where money can be kept safe. Introduce the idea of a bank and how they work Ask children what they would do if they had lots of money; explore the different choices regarding spending. Focus on responsible use of money; examine the difference between needs and wants. As a class, select items from a table and put them in one of two hoops – needs and wants. Can we always have the things we want? 	pfeg 'Learning About Money in the Primary Classroom' Pg. 26

Year 2: Term 1

Theme: The caring school and Feelings and relationships

Learni	ng Objectives:
R1a	That families are important for children growing up because they can give love, security and stability.
R2a	How important friendships are in making us feel happy and secure, and how people choose and make friends.
R2b	The characteristics of friendships, including mutual respect, truthfulness, trustworthiness, loyalty, kindness, generosity, trust, sharing interests and experiences and support with problems and difficulties.
R2c	That healthy friendships are positive and welcoming towards others, and do not make others feel lonely or excluded.
R2d	That most friendships have ups and downs, and that these can often be worked through so that the friendship is repaired or even strengthened, and that resorting to violence is never right.
R3f	About different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and how to get help.
R3g	What a stereotype is and how stereotypes can be unfair, negative or destructive.
R3a	The importance of respecting others, even when they are very different from them (for example, physically, in character, personality or backgrounds), or make different choices or have different preferences or beliefs.
R1c	That others' families, either in school or in the wider world, sometimes look different from their family, but that they should respect those differences and know that other children's families are also characterised by love and care.
H1g	Isolation and loneliness can affect children and that it is very important for children to discuss their feelings with an adult and seek support.
R3d	The importance of self-respect and how this links to their own happiness.
H1b	That there is a normal range of emotions (e.g. happiness, sadness, anger, fear, surprise, nervousness) and scale of emotions that all humans experience in relation to different experiences and situations.
H1h	That bullying (including cyberbullying) has a negative and often lasting impact on mental wellbeing.
H2e	That the internet can also be a negative place where online abuse, trolling, bullying and harassment can take place, which can have a negative impact on mental health.

To understand that different influences can affect choices.

	If necessary, do some 'getting to know you' activities during circle time		EmpathyFeelings
Who is in our family?Why are families important?	 Explore different types of families. Children to draw a family of who lives with them. Read Tango Makes Three to explore loving families. 	Tango Makes Three Stonewall website for the CHIPS book list.	 Friendship Gay Included Groups
 What makes me the same as/different from you? The importance of self-respect and how I feel. 	 Self-portraits/mirror activity/talking together "I am unique because" (this could form part of a display – addressing issues of self-esteem) Read I Love my Hair - identify what they like about themselves and how they might feel. 	'I Love My Hair!' by Natasha Anastasia Tarpley ISBN 0-316-52375-5	 Influence Like Love Network Outsider
 What makes a good friend? 	 Discuss and agree the qualities that a good friend has, including mutual respect, truthfulness and trustworthiness, loyalty, kindness, generosity, sharing interests and experiences. Children to draw what a good friend might look like, and label with relevant adjectives. 		 Persuade Problems Relaxed Share Similar
 What can I do if I fall out with a friend? 	 Explain that friendships have ups and downs, explore ways to resolve conflict. Use a puppet to discuss scenarios. Explore emotions (negative and positive emotions) and how to manage emotions and conflict without resorting to violence. 	Ann Foxley-Johnson – Conflict Resolution.	 Special Unique
 What influences me and the choices I make? Do I influence others? In what way? Do they influence me? 	 Produce a class list of things that influence choice, e.g. personal likes/dislikes, knowledge, friends, adverts. Choose 1 or 2 and explore them in more detail In small groups, discuss a real-life situation when a friend encouraged them to do something. Was it a good idea? Would they do it again? Discuss a scenario when someone had persuaded a friend not to something because it was foolish/dangerous. How can friends influence choices? Talk about things that they see on screens- you tube, messages, pictures, tv, gaming and discuss how these can make you feel. 		
 What can boys do and what can girls do? 	Look at photographs of everyday people. Let the children decide what jobs they think they could do. Discuss question	Expect Respect Toolkit: Y2, Section 2: Gender, Careers and Assumptions

Year 2: Term 2.1 Theme: Healthy lifestyle

Learnir	Learning Objectives:		
H6c	The importance of sufficient good quality sleep for good health and that a lack of sleep can affect weight, mood and ability to learn.		
H6d	About dental health and the benefits of good oral hygiene and dental flossing, including regular check-ups at the dentist.		
H4a	What constitutes a healthy diet (including understanding calories and other nutritional content)?		
H4c	The characteristics of a poor diet and risks associated with unhealthy eating (including, for example, obesity and tooth decay) and other behaviours (e.g. the		
	impact of alcohol on diet or health).		
H3b	The importance of building regular exercise into daily and weekly routines and how to achieve this; for example walking or cycling to school, a daily active		
	mile or other forms of regular, vigorous exercise.		
H6e	About personal hygiene and germs including bacteria, viruses, how they are spread and treated, and the importance of handwashing.		
H2b	About the benefits of rationing time spent online, the risks of excessive time spent on electronic devices and the impact of positive and negative content on		
	their own and other's mental and physical wellbeing		

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
How do healthy people look?	• Show photos of people in different states of health (e.g. dirty hair, bad teeth, unclean, sickly etc.) – children sort who is healthy/unhealthy		CleanExercise
What do healthy people eat?	 Introduce Eatwell Plate and balanced diet Focus on healthy eating – Ready Steady Cook – Design a meal using limited ingredients. 	Eatwell Change for Life Big Cook Little Cook	HappyHealthyNot so
What do healthy people do?	 Discuss different ways to exercise. Survey how children travel to school – promote walking, scooting and cycling. Link to PE – set up mini Olympics/Visit EIS 		healthyResponsibleRest
• Why is it important to sleep?	 Discuss bedtime routines and how this can affect the quality of sleep. Design a healthy bedtime routine – Write some Top Tips for Parents. 	Bedtime diary	Sometimes
• Why is it important to stay clean?	 Read Dirty Bertie books – give advice on how to stay clean. 	Dirty Bertie books	
• How can I stay healthy?	 Explore leaflets/media about healthy lifestyles (e.g. catch it, bin it) Identify ways to stay healthy linked to hygiene, exercise, diet, sleep and vaccinations Talk about teeth and what happens at the dentist – show clips of what happens during a check up. Suggest ways they can make their own day healthier. Link in excessive usage of devices, such as Xbox, ipads, You Tube, etc – what do they think is acceptable usage? 	Dental health.org	

School Improvement Service

Primary Personal, Social and Health Education - Scheme of Work for Years 1-6

Year 2: Term 2.2 Theme: Growing and changing

Learnir	Learning Objectives:	
R5c	That each person's body belongs to them, and the differences between appropriate and inappropriate or unsafe physical, and other, contact.	
H1c	How to recognise and talk about their emotions, including having a varied vocabulary of words to use when talking about their own and others' feelings.	
To reco	To recognise their own growing competencies and responsibilities.	

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
 What do I remember about being born and growing? What makes things grow? What makes me grow? 	 Discuss happy moments/sharing memories with family. Set up a class board of children's photographs. They could bring in 2 to 3 photographs to show how they have grown/changed since being born Plant bulb/seeds and chart progress. Compare needs of bulbs with needs of humans, e.g. water, warmth, sun, care, etc. Discuss what helps them to grow, include love and care as well as shelter, food, warmth and water 		 Change Community Discover Evidence Family Food Growing Up
 How do people know I'm growing? What new things can I do 	 Time line of life events What age did I/will I walk/go to school/ride a bike/play out on my own/drive a car/get a job etc. Make a list Things I can do now Able to do soon Can't do yet Want to do Need to practice They could write about wishes for the future. What do they hope they will be able to do: a. This time next year? b. When they are 10 years old? 		 Love People Places Recognise Remember Responsible Shape Size Skills Visit
• How to recognise emotions and manage them?	 Explore emotions of very young children e.g. tantrums in the supermarket Explore the emotions they feel now linked to different scenarios. Explore how to manage those emotions. 	Use video clips/stories	

Year 2: Term 3.1 Theme: Keeping myself safe

Learnir	Learning Objectives:		
R5b	About the concept of privacy and the implications of it for both children and adults; including that it is not always right to keep secrets if they relate to being safe.		
H7a	How to make a clear and efficient call to emergency services if necessary.		
H7b	Concepts of basic first aid, for example dealing with common injuries, including head injuries.		
H2g	Where and how to report concerns and get support with issues online		
R4c	The rules and principles of keeping safe online, how to recognize risk, haramful content and contact and how to report them		
To knov	w people who help them and how to ask for help.		
To knov	To know the difference between safe and dangerous places to play and how accidents can happen.		
To unde	To understand the responsibility involved in making choices.		
To reco	gnise how to keep themselves safe.		

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
What should I do when I'm	Use stories/poems as stimulus for discussion. Make rules for what to do. Have you	Lost and Found	Address
lost?	ever been lost? Share thoughts and feelings. Who helped? Discuss 'safe people' and dangers from unknown people or know people who cause unease/fear. People who are lost – do we go with them? Act out in drama and use key words: "No, I can't help" or "I'll go and ask someone". (Links with 'Protective Behaviours')	Visit from PCSO	DangerousDescribeHarmHurt
 What is good about my home? When am I at risk? 	 Collect pictures of household equipment that is useful and then link to potential danger, e.g. cooker, fires, knives. Devise strategies, e.g. not touching, etc. Discuss people/things at home that keep them safe, happy, warm, comfortable. Discuss when they might be 'at risk' at home. List and produce a list of solutions to keep themselves safe – whole class activity. Ensure online risks are discussed too – You Tube, "Bad" images, message apps/chats 	Smartie the Penguin	 My job Name Number Recognise Reference Responsibility
 What is good about outdoors? When am I at risk? 	 Circle time – children's ideas and opinions about the places they go, who takes them, who goes with them, what they do, likes/dislikes. Make rules for these places – include the people they meet and traffic/water, etc. Explore skills for crossing the road – teach Green Cross Code. Use role Play and Small World or Pretend Road Track to act out crossing the road. 		RulesSafe
 How do I make the right choice? (online choices to be 	• Discuss possible scenarios that the children could find themselves in when playing outdoors with older children and in an area that they are not familiar in. What	Use childnet.com Get Smart resources,	

Primary Personal, Social and Health Education - Scheme of Work for Years 1-6
--

included)	choices would they make about:	lesson plans and
	Contact with their parents?	video clips
	• Doing something that they felt uncomfortable with, e.g. throwing litter, swimming in a river?	
	• Is it ok to keep a secret? When is it ok/ when is it not ok?	
	• Explore their responsibility for keeping themselves and others safe, when to say 'yes', 'no', 'I'll ask' or 'I'll tell'	
	 Consider as a class ways to stay safe online and the positive choices that can be made 	
	Who can you go to for help?	
• How do accidents happen?	Children in pairs mime an accident they have had. Share with partner, then class. What caused it?	BHF – how to make an emergency phone call
	 Look at fantasy characters, e.g. Superman, Spiderman and discuss why we don't copy their actions 	
	• What to do in an emergency – Who would you call? What first aid help could you offer?	

Page 25 of 108

Primary Personal, Social and Health Education - Scheme of Work for Years 1-6

Year 2: Term 3.2 Theme: The world of drugs

Learning Objectives: H5a The facts about legal and illegal harmful substances and associated risks, including smoking, alcohol use and drug taking. To know when to say no. To extend to say no. To extend understanding of what goes into their bodies, how it enters and its impact. To understand the role of medicines and health.

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
 When have I had to take medicines? 	• Discuss illnesses – when/what/where? Collect packages and put into sets: tablets, liquids, powders, injections, etc. Discuss people who need them to stay alive/healthy		AbsorbedAddictive
 Where do medicines come from? What do doctors and nurses do? 	 Discuss the safe handling of medicines and who should give me medicines – 'my safe person' Encourage children to share their own personal stories of when they have required medicine Circle time – when should I say "No", "I'll ask" or "I'll tell someone"? Invite the School Nurse to come and talk to the children about the job they do and about how the children can keep themselves safe and healthy 	Twinkl resources	 Alcohol Asked Bully Dangerous Dangerous Decide Don't like
• What goes into the body?	 Think of all the things which can get into their bodies. Draw and label some (own/pair/group work), e.g. splinters, pollution, germs, dirt, foreign bodies and pollen What different ways do they get into their body? Make a list, e.g. swallowed, injected, sniffed /breathed in or rubbed in In pairs of groups, children make a chart to categorise how, when and why some of these things would be dangerous: We think these are safe, e.g. food, perfume We think these might be dangerous, e.g. splinters, pollution We know these can be dangerous, e.g. alcohol, cigarettes The terminology 'legal' and 'illegal' could be introduced and that it is illegal to sell alcohol or cigarettes to children could also be mentioned 		 Drugs Gave, left Germs Harm Harmful Hide Hurt Illegal Inhale, spray Injected Injections Legal
• What do we know about alcohol?	 Show children empty containers of beer, wine, spirits and ask what the ingredients/drug is that they all contain – alcohol Write alcohol on the board and ask the children for the names of other drinks which contain alcohol. Write them on the board (also include Alcopops) 	PSHE Association	 Listen Medicines Nicotine Persuade

Page 26 of 108

	Primary Personal, Social and Health Education - Scheme of Work for Years 1-6	School Improvement Service
	 Ask the children to put hands up if they know someone who drinks alcohol Explain that adults can behave differently when they drink alcohol. Use children's examples to illustrate this, e.g. argue/happy/lively. Mention that not all adults drink alcohol 	 Persuade Poison Refuse Responsibility
 What do we know about smoking? (inc e-cigarettes) 	 Show children a cigarette packet and explain they are going to learn about how smoking can affect people's health. Ask children to think of someone that they know who smokes. How does the child feel about it? Write down words to describe how they feel and discuss in a group. Show e-cigarettes and explain they contain the drug nicotine too. Ask the children "Why do people smoke?" Explain that adults tend to smoke because they are addicted, children tend to smoke because of pressure from others or to look good/show off in front of others. Explain that smoking cigarettes is dangerous to health. Do children know which parts of the body are affected? Lungs and heart – it makes breathing difficult 	 Risk Secrets Sensible Showed Swallowed Tell Tell Touched Try it Types of
 What do I say and do if someone tried to persuade me? 	 Explore with the children situations where someone might try to persuade them to touch, taste and sniff or puff something unknown or dangerous. What might they say when they are worried, under pressure or unsure? Write some ideas of what they might say in speech bubbles and display – who are these people? Ask children to draw what these people look like and label. Point out stereotypes of strangers. What might these people who are trying to persuade you say? e.g. "It won't hurt", "They're only like sweets". Write these and display as speech bubbles. Help the children practice them, e.g. play with partner – confident refusals. Who might they go to when they are unsure, worried, under pressure – discuss. Explore who this might be in different situations, e.g. school, parks, etc. Illustrate and label these people, explore reasons for choosing these people and the reasons for trust. Make a display of what to do in these situations 	alcoholic drinks • Urgent

Page 27 of 108

Year 2 Theme: Citizenship and focus on outdoors

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
 Is our playground a positive place to play? 	 Encourage discussion about the playground and discuss things that make them happy/unhappy, what they like/dislike, how play changes in summer/winter, am/pm 	Go-Givers lesson: 'Go-Givers Playground' asks the children to decide on needs for a range of different personalities and then design a playground to meet everyone's needs. Playground rules/guidelines are also	CommunityConsultDevelopEnhance
• How can we improve our grounds?	 Using class/School Council – can children think of ways in which the playground could be improved for ALL? What do we need to do to make this happen? What would these improvements cost? 	discussed QCA Citizenship Unit 6: Developing Our School Grounds	EnvironmentGroundsImprove
• How can we involve the views of everyone?	Devise a simple questionnaire which could be used through School Council to ascertain the views of the whole school community, including children, teaching/non-teaching staff, etc.	pfeg 'Learning About Money in the Primary Classroom' Pg. 64 'In the School Garden – Invest and Grow'

Rotherham

Year 3: **Term** 1.1

Theme: The caring school and Feelings, friends and relationships

Learni	ng Objectives:
R3a	The importance of respecting others, even when they are very different from them (for example, physically, in character, personality or backgrounds), or make different choices or have different preferences or beliefs.
R3c	The conventions of courtesy and manners.
R3e	That in school and in wider society they can expect to be treated with respect by others, and that in turn they should show due respect to others, including those in positions of authority.
R2a	How important friendships are in making us feel happy and secure, and how people choose and make friends.
R2c	That healthy friendships are positive and welcoming towards others, and do not make others feel lonely or excluded.
R3d	The importance of self-respect and how this links to their own happiness.
R4b	The same principles apply to online relationships as to face to face relationships, including the importance of respect for others online including when we are anonymous.
H1b	That there is a normal range of emotions (e.g. happiness, sadness, anger, fear, surprise, nervousness) and scale of emotions that all humans experience in relation to different experiences and situations.
H1c	How to recognise and talk about their emotions, including having a varied vocabulary of words to use when talking about their own and others' feelings.
H2c	How to consider the effect of their online actions on others and know how to recognize and display respectful behavior online and the importance of keeping personal information private.
To kno	w that choices have consequences
To see	ourselves as valued and valuable members of the school community
To reco	ognise what is fair and unfair and the difference between right and wrong
To reco	ognise the difference between wants, needs and rights

What makes a healthy	when you are with/ not with your friends?	
friendship?	• Use questions on a sliding scale and children to vote against	
	the statements from strongly agree to strongly disagree,	
	statements could be – A friend should be the same gender as	
	me, A friend should like everything that I do, A friend listens to	
	me. A friend won't let me play with anyone else, A friend	
	makes me feel better when I am sad, A good friend talk	
	behind my back, etc. Consider adding in examples of online	
	situations – consider cohort and ensure developmentally	
	appropriate scenarios	
	Put statements into a good friend or bad friend heading	
	• Discuss the meaning of RESPECT. How do you expect to be	
	treated and in turn how to you respect others? Does this also	
	apply to respect online? Discuss what is said online/messages	
	is no different to face to face.	

Year 3: Term 1.2 Theme: Relationships, loss and separation

Learni	ng Objectives:		
R1a	That families are important for children growing up because they can give love, security and stability.		
R1b	The characteristics of healthy family life, commitment to each other, including in times of difficulty, protection and care for children and other family		
	members, the importance of spending time together and sharing each other's lives.		
H1b	That there is a normal range of emotions (e.g. happiness, sadness, anger, fear, surprise, nervousness) and scale of emotions that all humans experience in		
	relation to different experiences and situations.		
H1f	Simple self-care techniques, including the importance of rest, time spent with friends and family and the benefits of hobbies and interests.		
To con	sider some of the changes that take place in people's lives and reflect on some of the changes in their own lives.		
To be a	able to recognise some of the emotions involved in loss situations and consider what is helpful and unhelpful in such situations.		

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
• Who is in your family?	• Use known characters such as Harry Potter, The Simpsons, to	Stonewall has several book suggestions for	Angry
• Why are families important?	map out their family tree. Then create their own and	different families	Bereaved
	compare.		Change
	Look at other families, use books from CHIPS range to		Cry
	support.		• Death
	Make a family recipe using the child's own family as the		Divorce
	ingredients. Add in extra bits like a sprinkle of love, heaps of		Excited
	laughter etc.		Guilty
• Why is rest time important?	• Come up with a class list of things they do out of school,	Headspace – Mini Meditation	• Нарру
• What do you do away from	write on a post it note and put it on a wall. Children to then	www.youtube.com/watch?v=ldFD-L-Csz0	• Help
school?	"steal" someone's idea of something that they are going to		Listen
	try during the forthcoming week. Discuss at the next lesson.		Lonely
	Demonstrate and encourage children to take part in a		Moving
	mindfulness activity. Seas of tranquility – make a small paper		New
	boat and lay on the floor with it on your stomach.		Sad
	Concentrate on your breathing and make the boat go up and		 Separation
	down on your sea. When you breathe in your stomach and		Shout
	lungs should fill with air. Put some calming music on for the		Talking
	children to listen to.		 Understand

What does it feel like when	• "Something I once lost was, it made me feel", e.g. money	CHIPS: Y1, Week 4, Week 5 and Week 6	
you lose something?	- the consequences of losing money or having it stolen		
you lose something.	 Ask children to close their eyes and think of something that is 	Expect Respect Toolkit	
	important or precious to them. Imagine looking for it and it	Section 2: Year	
	has gone. Discuss how it feels and what they will do		
	• Explore other emotions beyond sad and upset, how do these		
	emotions actually feel.		
• How does it feel when we lose	• Discuss different types of loss as a group i.e. losing an object,		
or are separated from a	falling out with a friend, parental separation, moving schools,		
special person?	death of a pet or family member. (be sensitive to children's		
	personal circumstances)		
	Use Harry Potter as an example – loss of his parents and		
	living with an Aunt who doesn't want like him!		
 What helps us when we lose 	• Use a story or poem to explore how a character feels in a loss		
something or someone?	situation		
	In groups, children make lists of things that help or do not		
	help and discuss. Ask the children to describe verbally or use		
	drawing and writing, someone who has helped them when		
	they lost something or someone		
	Use scenarios cards to sort into helpful;/unhelpful		
 What can we do to help 	Give children examples of situations on cards, e.g. new child		
somebody else experiencing	in your class, friend's dog dies. In pairs, think through what		
loss?	they could do to help in those situations and share ideas		

Notes to staff:	•	Appropriate staff training may be needed to build awareness, skills and confidence in this sensitive area.
	•	The book "Helping children think about bereavement" by Heather Buller (ISBN: 978-0-415-53685-4) outlines 4 lessons based around
		the story of a turtle who dies.

Year 3: Term 2.1 Theme: Choices, Emotions and Difference

Learni	ng Objectives:			
H1h	That bullying (including cyberbullying) has a negative and often lasting impact on mental wellbeing.			
R3f	About different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and how to get help.			
R4b	That the same principles apply to online relationships as to face-to-face relationships, including the importance of respect for others online including when			
	we are anonymous			
To und	lerstand the consequences of racism, teasing, bullying and discrimination.			
To und	lerstand the feelings and emotions associated with belonging.			

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
• What is belonging?	 Read the book 'Something Else' to the children Ask the children to consider what is 'Something Else's' primary emotion? Have they ever experienced or felt like this? Why? What happened? If they were to give 'Something Else' a name, what would it be and why? 	Book - Something Else CHIPs materials	 Acceptance Bullying Charter Consequences Convention Different
• How can we make people feel that they belong?	 Using the text consider how 'Something Else' made 'the Creature' welcome? How did this affect 'the Creature'? How did it make 'the Creature' feel? Ask the children to consider their school. If a new person joined their class tomorrow what would they do to make them feel welcome? 	Something Else' by Kathryn Cave / Chris Riddell ISBN 0-14-054907-2	 Discrimination Empathise Empathy Forgiveness Human rights Hurtful
Some people are different	 Use a stimulus such as pictures from SEAL to show a difference. Ask the children to list differences, e.g. speak a different language, have a different religion, and have different coloured skin. Does this make any difference to how they would treat and welcome a newcomer, if so, how? Has the school recently welcome children from other schools, other areas, other countries, etc. 	Use film clips to identify difference Book - Lizard Lounge CHIPS books Stonewall	 Kind Need Policies Problem Racism Responsibility Rights
• What is bullying – consider different types of bullying and	Use Be Internet Legends SOW, lesson plans and activities - Section entitled Respecting Each other	Be Internet Legends- Respect Each other pages 38 - 46	SadSame

Page 35 of 108

the impact this can have on	• Use scenerios for the children to discuss what they would do,	Ann Foxley-Johnson	Similarities
our feelings	include examples of online bullying.	Anti-Bullying Alliance resources	Solution
Do I know the difference between fair and unfair?	 Discuss what is 'fair' and 'unfair'. Relate to age, gender and race. Discuss, are there any types of disability among children? Set up a mock job interview, with characters of different ages, races and genders – get the class to interview and choose the suitable candidate. Discuss unfair examples of treatment in stories and literature, e.g. Cinderella, to discuss fairness and situations where rights are infringed. Who had the responsibility to ensure that Cinderella's rights were upheld? Other activities for follow up, e.g. role-play, hot-seating or writing a litter to a character in a story 	Use traditional Tales with a twist	 Tolerance Unhappy United Nations Unkind Upheld Upset Want
What are my rights? What are my responsibilities??	 Look at the 'Whole School Charter of Rights' and write appropriate responsibilities alongside each right, e.g. 'we have the right to a home' and 'the responsibility to help care for it', 'we have the right to learn' and 'the responsibility not to prevent others from learning' Explain about the United Nations Convention of the Rights of the Child and provide them with a simplified version. Compare their own version with the UN Charter Create a 'Charter of Rights' for children, e.g. the right to a home, to lean, to be safe. Present to the whole class and produce a 'Whole School Charter' – could run as a type of election campaign. Play some 'trust' games to raise awareness of responsibility to others. Discuss feelings of being blindfolded and having the responsibility of a leader 	QCA Citizenship Unit 7: Human Rights UNICEF rights of a child

•

Year 3: Term 2.2 Theme: My healthy body – Taking responsibility for my healthy lifestyle

Learnir	ng Objectives:
H4a	What constitutes a healthy diet (including understanding calories and other nutritional content)?
H4b	The principles of planning and preparing a range of healthy meals.
H1e	The benefits of physical exercise, time outdoors, community participation, voluntary and service- based activity on mental wellbeing and happiness.
H3a	The characteristics and mental and physical benefits of an active lifestyle.
H2b	About the benefits of rationing time spent online, the risks of excessive time spent on electronic devices and the impact of positive and negatice content
	online on their own and others' mental and physical wellbeing.
H3b	The importance of building regular exercise into daily and weekly routines and how to achieve this; for example walking or cycling to school, a daily active
	mile or other forms of regular, vigorous exercise.
H3c	The risks associated with an inactive lifestyle (including obesity).
H6c	The importance of sufficient good quality sleep for good health and that a lack of sleep can affect weight, mood and ability to learn.
To beg	in to consider the effect of media and peer influences on their lifestyle choices.

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
• What do you like to eat/drink?	Circle time activity – "My favourite food is"		Advertise
	• Circle game – change places if you like eating/drinking, e.g. pasta, milk,		Balance
	bananas		Body
• Why do we need to eat/drink?	• In pairs or small groups, children list why they think they need to eat	Eatwell Plate poster	Breathing
• What food do we need to eat,	and drink. Categorise their responses under headings such as 'growth',		Choices
to grow and stay healthy?	'energy', 'feeling good' and 'enjoyment'		Diet
	• Using two paper plates, invite children to draw/cut and stick what they		Eating
	consider to be healthy/unhealthy foods. Discuss		Energy
	Use the 'Eatwell Plate' to discuss the different food groups which		 Enjoy
	contribute to a balanced diet		Exercise
	• Groups of children to make a collage of the section from the 'Wheel of		• Fat
	Good Health'. Find foods that fit their particular category		Fitness
• How can we eat for health?	• Each child divides a sheet of paper in two. On one half they draw and		• Food
	label foods which they think they should eat more often, the other half		• Fruit
	which they think they should be more cautious with		Healthy
• What exercise do we take?	• In pairs, ask the children to think about their favourite form of exercise	Laptops to search for local	• Heart
What happens when you	and mime it for their partner to guess	groups	Leisure

Page 37 of 108

		<u> </u>	Datharkow
	Primary Personal, Social and Health Education - Scheme of Wo	rk for Years 1-6	School Improvement Service
 exercise? Why should you exercise? What impact could excessive device usage have on our physical and mental health? 	 Conduct a survey of favourite kinds of exercise Taking as a starter point a recent PE lesson, make a 'Circle of Feelings' about how the children felt whilst taking exercise. From this, pull out the physical effects of exercise Ask the children to think about that happens to their muscles, heart and lungs during exercise Possible exploration and measurement of pulse rates before and after exercise Discuss over use of devices, online activities and gaming – what is acceptable – they could make a home agreement to their parents regarding device time. Consider Mental wellbeing impact too 	 Lifes Lifes Lung Med Mine Mine Mine Mot Not Not Pers Prot Puls Stan 	 Lifestyles Lungs Media Minerals Muscles Not enough Nutrition Persuade Protein Pulse Stamina Strength
What other activities do you enjoy?	 In pairs, children think about other leisure opportunities they participate in Children to prepare a short PowerPoint or leaflet advertising a physical activity. Can they persuade their friends with all of the benefits that their activity provides? What equipment is needed? Are there any cost implications? Gather information on what is available for children to do in the locality. 	Invite Brownie or Cub leader to talk with the children or a local sports team.	 Suppleness Too much Vegetables Vitamins
Is our a healthy school?	 Ask the children what a healthy school would have/have not, do/do not. What kind of rules would they have? Children to produce an action plan using some of their ideas. Set a review date to look for positive signs of improvement. 		

Page 38 of 108

Year 3: Term 3.1 Theme: Keeping myself safe

Learni	ng Objectives:
R4a	That people sometimes behave differently online, including by pretending to be someone they are not.
R4b	That the same principles apply to online relationships as to face-to-face relationships, including the importance of respect for others online including when we are anonymous.
R4c	The rules and principles for keeping safe online, how to recognize risks, harmful content and contact, and how to report them
R4e	How information and data is shared and used online
R5a	What sorts of boundaries are appropriate in friendships with peers and others (including in a digital context).
R5b	About the concept of privacy and the implications of it for both children and adults; including that it is not always right to keep secrets if they relate to being safe.
R5f	How to ask for advice or help for themselves or others, and to keep trying until they are heard.
R5h	Where to get advice e.g. family, school and/or other sources.
H2d	Why social media, some computer games and online gaming, for example are age restricted
H2g	Where and how to report concerns and get support with issues online.
H7a	How to make a clear and efficient call to emergency services if necessary.

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
• When are you most at risk?	 Tell the story of Goldilocks or Jack and the Beanstalk, children to discuss the story and highlight all of the risks she/he took. Ask the children to think of places and people with whom they feel really safe. Then ask them to imagine situations in which they may feel unsafe. What feelings do they experience in each situation? Are there times when they put themselves in these situations? For example, take risks Ask the children to draw pictures of someone their age taking a risk. Then in pairs, talk about the pictures and the possible consequences of the situation. Children could role play the situations. (Try to steer some examples towards online risks) Consider sharing information online (photos, personal information) 	Goldilocks and the Three bears, Jack and the Beanstalk. Be Internet Legends – Scheme of Work – Keep it Private activity 4 page 10	 Consequences Frightened Happy Nervous Pain Pause Risk Scared Think Threatened Unhappy Worried

Page 39 of 108

	Primary Personal, Social and Health Education - Scheme o	of Work for Years 1-6
 Who are you? Where are you going? Who are you with? How to identify risks online 	 Follow Be internet legends lesson plan – Who are you, really? Use a story that the children have heard of and look at the character's knowledge of who they are, where they are going and where they have been In pairs, ask the children to draw a picture of themselves going out with their friends. Show where they are going and who, if anyone, is in charge Freeze frame activity – explore unforeseen situations which might happen on their outings, e.g. someone getting left behind, scared, and worried. Ask the children how they might deal with the situation, what they might be thinking. Write their thoughts using speech bubbles 	Be Internet Legends – Scheme of work Page 20 activity – Who are you, really? Page 14 - Check it's for real
How do you say no when you do not like something?	 Discuss the differences between genuine pressure on children and requests from adults to help with tasks that they do not want to do, either because they want to play, watch television or because they do not feel like it Partner discussion about what children should and should not do, including when it is ok to keep a secret and when it is not. Discuss the physical contact that is generally acceptable and that which is unacceptable. Draw and write what you think may happen after different situations, e.g. being tickled and not enjoying it, being cuddled by someone they are not happy with What can they do if they are made to feel uncomfortable? Who can they ask for help? Including online issues 	
Consider age restrictions for games, TV shows and films.	 Ask children to consider the criteria headings that decide the age rating of game/website/film (language, violence, etc) Can the children age rate examples. Use Net Aware website to look up websites and games that they use, look at description and ratings - do they agree? 	www.cbbfc.co.uk – View what's right for you lesson plans and activities. netaware.org
How do I make a clear and efficient call to emergency services if necessary?	 Discuss what a prank call is Give scenario cards which contain emergencies and non- emergencies, children to role play making the call – who will they call and why? 	BHF – how to make an emergency call British Red Cross – redcross.org.uk/educationresources

© Rotherham Local Authority (RoSiS) owns this document and it is subject to copyright laws. We will take appropriate action against someone found to be unlawfully using this document.

Year 3: Term 3.2 Theme: The world of drugs

Learnin	Learning Objectives:			
R5h	Where to get advice e.g. family, school and/or other sources.			
R5f	How to ask for advice or help for themselves or others, and to keep trying until they are heard.			
H5a	The facts about legal and illegal harmful substances and associated risks, including smoking, alcohol use and drug taking.			
To deve	To develop skills for weighing up the choices involved in and the reasons for and against taking risks.			
To deve	To develop ways to resist unhelpful pressure to take risks with their health.			
To und	To understand that pressure comes in different forms.			

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
• What goes into my body?	• In small groups brainstorm the question and note responses on slips of paper. "What goes into my body?" Categorise their responses, e.g. get into my body by accident, I can't stop or avoid taking it in, people tell me to take it, are dangerous and could make me ill. Invite the children to share their responses and discuss		 Addicted Bad Belonging Consequence Cure Debt
• When do people need drugs?	 Ask the children when people need drugs, e.g. prevention of illness, vaccination for travel, curing illness, emergencies, painkilling, lead normal life (asthma) Children's responses could be presented pictorially, to demonstrate for others the wider meaning of the word 'drugs'. Ask: What should they leave for an adult to deal with? What can they do to help another child who is taken ill? How to describe clearly what is wrong 		 Decision Dependent Dieting Exercise Feelings Good Health Healthy Hooked
 Why do some people think they cannot manage without drugs? 	 Do they know people who think they need to have: A cigarette/ e-cigarette? An alcoholic drink? A cup of tea or coffee? What do we call it when someone needs these things? Addicted Use a 'circle of feelings' exercise to think about and show 		 Painkilling Pressure Responsibility Risk Risky Safe Safety

		<u>61</u>	Rotherham
	Primary Personal, Social and Health Education - Schem	ne of Work for Years 1-6	School Improvement Service
	 how they would feel if they had to give up their favourite food/activity, e.g. sweets; jealous of others, miserable sometimes, bad tempered, pleased, sensible. (The children could actually try to give up a favourite food or drink for a day or two to actually experience how it feels) Ask "How could you help yourselves to give up?", e.g. ask family or friends to help support them, do something to take their mind off it, save money for a treat Emphasise interaction between body and brain, mind and 		 Slightly Unsafe Vaccination Very
What is 'Risk Taking'?	 feelings Tell the children a simple story about a risk someone took, explaining the good and/or bad consequences In circle time, talk about the sorts of risks children have taken and try to categorise them, thinking about, for example, their feelings, whether they risked their health, safety or belongings Discuss the positive and negative results of taking the risks 	QCA Drug, Alcohol and Tobacco Education	
What can be 'positive' and 'negative' about taking risks?	 Place two large signs reading 'very risky' and 'slightly risky' at opposite ends of the room, drawing a line or stretching a piece of string between them. Give children large cards describing different health related choices and ask them to place them on the line between the two signs. The cards could include choices such as: Eating an unhealthy diet, with lots of crisps and sweets Not washing Taking no exercise Dieting Drinking alcohol Taking someone else's medicine Smoking a cigarettes Not brushing teeth Borrowing money Meeting a stranger met on the internet who has become their friend 		

Updated October 2019

Page 42 of 108

	Primary Personal, Social and Health Education - Scheme	of Work for Years 1-6	School Improvement Service
	Encourage the children to give reasons for their decisions, using their prior knowledge to help them. Try to help them decide if it is short or long term risk		
Why do we take risks?	 Read a story about a child or young person who takes a risk (along with their friends) that has bad consequences The children discuss the reasons why the person took that risk Children explore and discuss all the pressures and influences the character was under Explain that pressure to take risks comes from a variety of sources, including our friends. Explain that we have a right to feel safe and secure and a responsibility to look out for each other, as well as make out own decisions 		

Page 43 of 108

Year 3 Theme: Citizenship and rights and responsibilities

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
 What are my rights? What are my responsibilities? 	 Brainstorm things they want. Identify from the list 'wants' and 'needs'. Expand the 'needs' list to include other things they need and discuss. Which of these are fundamental human rights, e.g. food and shelter Create a 'Charter of Rights' for children, e.g. the right to a home, to lean, to be safe. Present to the whole class and produce a 'Whole School Charter' Play some 'trust' games to raise awareness of responsibility to others. Discuss feelings of being blindfolded and having the responsibility of a leader Look at the 'Whole School Charter of Rights' and write appropriate responsibilities alongside each right, e.g. 'we have the right to a home' and 'the responsibility not to prevent others from learning' Explain about the United Nations Convention of the Rights of the Child and provide them with a simplified version. Compare their own version with the UN Charter Produce a post of the Charter and display in a prominent position within school (could be included in School 	QCA Citizenship Unit 7: Human Rights Go-Givers lesson: 'The Gap Exposed' explores the global perspective	 Bullying Charter Consequences Convention Discrimination Empathise Empathy Human rights Need Policies Problem Racism Responsibility Rights Solution United Nations Upheld Want
• Do I know the difference between fair and unfair?	 Prospectus) Discuss what is 'fair' and 'unfair'. Relate to age, gender and race. Discuss, are there any types of disability among children? Discuss unfair examples of treatment in stories and literature, e.g. Cinderella, to discuss fairness and situations where rights are infringed. Who had the responsibility to ensure that Cinderella's rights were upheld? Other activities for follow up, e.g. role-play, hot-seating or writing a litter to a character in a story

Year 4: Term 1.1

Theme: The caring school and Feelings, friends and friendships

Learni	ng Objectives:
R3a	The importance of respecting others, even when they are very different from them (for example, physically, in character, personality or backgrounds), or make different choices or have different preferences or beliefs.
R3d	The importance of self-respect and how this links to their own happiness.
R3e	That in school and in wider society they can expect to be treated with respect by others, and that in turn they should show due respect to others, including those in positions of authority.
R2a	How important friendships are in making us feel happy and secure, and how people choose and make friends.
R2b	The characteristics of friendships, including mutual respect, truthfulness, trustworthiness, loyalty, kindness, generosity, trust, sharing interests and experiences and support with problems and difficulties.
R2c	That healthy friendships are positive and welcoming towards others, and do not make others feel lonely or excluded.
R2d	That most friendships have ups and downs, and that these can often be worked through so that the friendship is repaired or even strengthened, and that resorting to violence is never right.
R3b	Practical steps they can take in a range of different contexts to improve or support respectful relationships.
R4a	That people sometimes behave differently online
R4b	That the same principles apply to online relationships as to face-to-face relationships, including the importance of respect for others including when we are anonymous.
R4d	How to critically consider their online friendships and sources of information including awareness of the risks associated with people they have never met.
H1c	How to recognise and talk about their emotions, including having a varied vocabulary of words to use when talking about their own and others' feelings.
To lear	rn how to make positive choices.
To kno	w that choices have consequences.

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
• How can we make this a happy	Agree class/school rules		Caring
place for everyone to work and	• Choose playmates, monitors, etc. (positions of responsibility) from within		Choices
play?	the class		Concern
	Set up classroom procedures and expectations		Consequences
	• Discuss what is = a safe learning environment and why this is important.		Cooperation
	• If necessary, do some 'getting to know you' activities during circle time		Coping
	Mingle Bingo activity		Emotions
	Classroom Charter		Friendship

Page 47 of 108

	Rot	her	ham

	Primary Personal, Social and Health Education - Scheme of Work for M	Years 1-6	chool Improvement Service
 What qualities do you look for in a friend? Apply the same principle discussed above but to an online friend. 	 Circle time activity – A good friend is List words associated with 'friend' as a class Children reflect individually on qualities of their close friends Create a profile of an "online friend" using the qualities already said that they look for in a "real" friend. Discuss dangers associated with friends online – use Be internet legends lesson plans. 	Be Internet Legends – Be Internet Alert lessons p20 – Who are you really?	 Fun Gay Personal Relationships Respect Rules
What affects the way my friendship works?	 Introduce the concept of friends being linked together by friendship chains, i.e. school, youth club or dancing. Make chains using paper dolls/links. Consider ways in which chains might be broken or made stronger. Consider how feelings and attitudes affect the way friendships are strengthened/broken. Use distancing (3rd person) examples of broken friendships. Link in online friendships, discuss the positives and negatives of online friends. 	Be Internet Legends – Be internet Kind lessons page 40	 Sharing Sharing Something I'd like to know about you is Something I'd like you to know about me is
 How do you sometimes make other people feel? 	 Divide the children into groups of three – in pairs they talk in 'gobbledygook' taking it in turns to be excluded from the conversation. They share their feelings as a trio, e.g. how does it feel to be left out? How did iyou make each other feel better? Share examples of things that happen at school/at home where people might feel like that Stonewall KS2: Year 3 and 4 – Classroom activities: <u>The Sissy Duckling</u> Explore stereotypes 	Sissy Duckling by Harvey Fierstein and Henry Cole Stonewall website	 Strategies Strong feelings Worried
How do you respect differences?	 Link into anti-bullying week Group rap to demonstrate difference and acceptance. Lizard Lounge book from CHIPS list – could the children create their own comic strip based on the text using their own character? 	Anti-bullying Alliance Andy and the Odd Socks	
How can you cope with strong feelings	 In groups, give each a card with a strong feeling on it. Groups discuss and prepare a scenario for their chosen feeling. Each group presents it to the class who then discuss possible strategies for dealing with this Practice mindfulness 	Expect Respect Toolkit Section 2: Year 4	

Page 48 of 108

Year 4: Term 1.2 Theme: Respecting the differences between people

Learni	ng Objectives:
R1c	That others' families, either in school or in the wider world, sometimes look different from their family, but that they should respect those differences and know that other children's families are also characterised by love and care.
R1d	That stable, caring relationships, which may be of different types, are at the heart of happy families, and are important for children's security as they grow up.
R3a	The importance of respecting others, even when they are very different from them (for example, physically, in character, personality or backgrounds), or make different choices or have different preferences or beliefs.
R3e	That in school and in wider society they can expect to be treated with respect by others, and that in turn they should show due respect to others, including those in positions of authority.
R3f	About different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and how to get help.
R3g	What a stereotype is and how stereotypes can be unfair, negative or destructive.
H1h	That bullying (including cyber bullying) has a negative and often lasting impact on mental wellbeing.
H2c	How to consider the effect of their online actions on others and know how to recognise and display respectful behaviour online and the importance of keeping personal information private.
H2e	That the internet can also be a negative place where online abuse, trolling, bullying and harassment can take place, which can have a negative impact on mental health.

ng and Learning Activities	Resources	Key Vocabulary

Year 4: Term 2.1 and 2.2 Theme: My healthy body and Caring for my body

Learni	ng Objectives:
H1a	That mental wellbeing is a normal part of daily life, in the same way as physical health.
H1e	The benefits of physical exercise, time outdoors, community participation, voluntary and service- based activity on mental wellbeing and happiness.
H1f	Simple self- care techniques, including the importance of rest, time spent with friends and family and the benefits of hobbies and interests.
H2b	The benefits of rationing time spent online on their own devices and the impact of positive and negative content online on their own and others mental and physical wellbeing
H2g	Where and how to report concerns and get support with issues online
H3c	The risks associated with an inactive lifestyle (including obesity).
H3d	How and when to seek support including which adults to speak to in school if they are worried about their health.
H4c	The characteristics of a poor diet and risks associated with unhealthy eating (including, for example, obesity and tooth decay) and other behaviours (e.g. the impact of alcohol on diet or health).
H6c	The importance of sufficient good quality sleep for good health and that a lack of sleep can affect weight, mood and ability to learn.
H6d	About dental health and the benefits of good oral hygiene and dental flossing, including regular check-ups at the dentist.
H6e	About personal hygiene and germs including bacteria, viruses, how they are spread and treated, and the importance of handwashing.
H6f	The facts and science relating to allergies, immunisation and vaccination.
H8a	Key facts about puberty and the changing adolescent body, particularly from age 9 through to age 11, including physical and emotional changes.

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
What do you know about caring	• Review the knowledge the children have of healthy living and exercise		Bacteria
for your body?	• Draw a picture of a healthy person and an unhealthy person. Add in		Balanced
 What does Wellbeing mean? 	labels and captions to explain what they have drawn.		Choices
	• List/draw a mind map of all the different ways someone can be healthy.		Clothing
	Include all aspects including sleep, alcohol, smoking, busy lifestyle,		• Damage
	screen time etc.		Drinking
	• Discuss the impact of screen time and the different ways this can		Eating
	impact on our mood. (relate to inactivity, gaming and social media)		Energy
	• Pack a bag with all of the things you would need to be healthy.		Germs
• How is my body changing?	Briefly talk about how it was parents responsibility when younger and		Heart
• Why do I need to keep clean?	now it is our own responsibility. What is changing about our bodies,		Hygiene
• How can you keep yourself clean?	talk about washing, using deodorant, clean clothes.		Infection

Page 51 of <u>108</u>

Experiment with removing dirt from skin with cold water, warm water, Lifestyles not using soap and using soap Lungs . Work in groups to develop a 'keeping clean' board game using the Media same principle as Snakes and Ladders Muscles Teacher to create a keeping clean sorting activity. Cards to denote Not enough ٠ toiletries and personal grooming items which can be sorted into daily Persuade . use, two or three times a day, continuous use or occasionally Precaution Write a 'class rap' for keeping clean Repair Ask the children to plan a poster (possibly for different audiences, e.g. How can you look after your Screen time www.colgate.com ٠ ٠ younger children) explaining different ways they can look after their 'Caring for your Teeth' pack Self-care teeth? teeth. This may follow up a video or a visit to or from the Dentalcare.co.uk – lesson plans Sleep dentist/community dental health care specialist Toiletries Consider impact of diet on their teeth – sugar swaps. Look at some Too much familiar foods and weigh out in sugar - look for healthy alternatives. Transmission Virus What are viruses and how can Ask children about illnesses they have had which have been caused by NHS website for advertisements. • ٠ Wash you minimise the risk to yourself? viruses. Find out their effects and best ways to cope with these effects. Discuss experiences - can they remember or have younger siblings. Flu What are immunisations? ٠ • immunisation in school. Discuss Randy Gardner's sleep experiment from 1964. Sleep factor – lesson plans and Why is sleep important? • ٠ Make a sleep diary for a week containing statements such as - An hour **PowerPoints** before bed I..., Half an hour before bed I....I switch the light off at... I get up at.... Sleep factor lessons - discuss importance and barriers to sleep. • Write a story about a character getting ready for bed. • Why do we need to have daily Children to complete anonymous tally to show as a class the frequency Bikeability ٠ ٠ exercise? and type of exercise they have. Children to talk in groups of the implications of being inactive. Modeshift stars ٠ Consider barriers to leading an active lifestyle. Can children give suggestions to overcome. Link into how regular exercise makes them feel - mental wellbeing. Set up a walk/scoot/cycle to school initiative. Bring bikes and scooters ٠ to school to "pimp them up" Repeat tally activity to see if it has had any impact.

Primary Personal, Social and Health Education - Scheme of Work for Years 1-6

Page 52 of 108

Rotherham School Improvement Service

	Primary Personal, Social and Health Education - Scheme of Work for Years 1-6	School Improvement Service
• What are the benefits of physical activities?	 Children to plan their own lunchtime/playtime club. Why would someone want to attend? Who is the target audience? What will they achieve? How will it make the members feel? Ensure mental wellbeing is discussed. Design flyers outlining all of the above. The club could be for the purposes of the lesson or could be carried through in school. 	
• What do we mean by "self-care?"	 Recap what we have covered so far this term – dental hygiene, being clean, healthy eating, sleep, illness, exercise. What other ways can we look after ourselves? Prompt if necessary – friendships, family time and hobbies. Star and a wish – name one thing they currently do for themselves to relax and come up with something new that they are going to have a go at. 	
Who is your support network?	 Give children a range of posters, leaflets from a variety of organisations. Childline, NHS, dental, change4life, etc. Children to discuss how to contact the organisations and what they could help them with. Include support for issues online Are there any other support networks – who and what support could they offer? 	

Page 53 of 108

Year 4: Term 3.1 Theme: Keeping myself safe

Learnin	ng Objectives:		
R4c	The rules and principles for keeping safe online, how to recognize risks, harmful content and contact, and how to report them.		
R5a	What sorts of boundaries are appropriate in friendships with peers and others (including in a digital context).		
R5b	About the concept of privacy and the implications of it for both children and adults; including that it is not always right to keep secrets if they relate to being safe.		
R5d	How to respond safely and appropriately to adults they may encounter (in all contexts, including online) whom they do not know.		
R5e	How to recognise and report feelings of being unsafe or feeling bad about any adult.		
R5f	How to ask for advice or help for themselves or others, and to keep trying until they are heard.		
R5h	Where to get advice e.g. family, school and/or other sources.		
H2g	Where and how to report concerns and get support with issues online.		
H7a	How to make a clear and efficient call to emergency services if necessary.		
H7b	Concepts of basic first aid, for example dealing with common injuries, including head injuries.		
To expl	To explore the concepts of safety and risk		
To expl	To explore personal safety indoors and outdoors		
To cons	To consider sensible road safety		

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
• What activities do you do that are safe or risky?	 Give activity cards to children, ask them to put onto a scale of very risky to no risk. Encourage conversations and what happens if type questions. Give blank post it notes for children to add in some of their own activities if they wish. Include risky situations online – sharing where they live, meeting someone, etc 		 Brave Cautious Childline Confident Consequences
What are your favourite outdoor places?	 Children to draw a picture of their favourite place – Where is it? Who is there? How would you get there? Add onto the picture using post it notes of potential risks. Consider cycle safety, strangers, road safety, if an accident happens. 	Brake.org	 Dare Emergency services Exciting
 What would you do if something dangerous or frightening happened? 	 Using previous lesson's activity - teacher led discussion regarding behaviour in a potentially dangerous situation, e.g. group of children dared you to touch, taste, and sniff or smoke something; stranger from on line wants to meet up. Use role play, drawing or writing to express how they would react. 		JourneyNervousNSPCCPause

Page 54 of 108

	Primary Personal, Social and Health Education - Scheme of Work for Ye Class to share ideas and decide which skills they need to learn, practice and		Personal Safety
	revise. Children to then discuss to lower or eliminate the level of risk.		Reckless
	• Where could they go for help? How do they make a clear 999 call and when is 999 appropriate.		 Recognise Risk
How do you keep safe outside?	 Children to participate in class survey of their views of road accidents involving children of their age. Discuss what accidents are most likely to occur, at what time of day/week/year Devise road safety rules to cover time when they are pedestrians, cyclists and passengers Develop a 'Keeping Safe on the Roads' campaign with children, families, friends, local community and safety officers Give the children a scenario that describes an accident. Ask the children to analyse it and find possible causes Invite a Road Safety Officer to talk to the class and demonstrate road safety and cycling skills 	Brake.org	 Safer Building Safer stranger Safety Safety Scared Think
• Who has the job of keeping you safe?	 What does it feel like to be unsafe? How do you know? Ask the children to think about journeys which they take and who they see regularly on the journeys. Make a class list of these people. Children to draw and write about these people. How do they recognise them and what do they say or do? Who is responsible for keeping children safe? Talk about places in the neighbourhood, where the children go, who keeps them safe in these places and how is this done? Recap KS1 Learning about Safer Strangers and Safer Buildings. Recap who can they go to for help (support network) including emergency services. Share basic first aid Introduce Childline website and show where the posters are in school. Use Be internet legends lessons to support what to do if you feel unsafe 	Invite PCSO into school. Childline Be Internet Legends – Be Secure page 35 Taking care of yourself and others Red Cross website	

Page 55 of 108

Year 4: Term 3.3 Theme: The world of drugs

Learnin	Learning Objectives:		
H5a	The facts about legal and illegal harmful substances and associated risks, including smoking, alcohol use and drug taking.		
To incre	ase awareness of the different types of drugs, their effects and dangers.		
To revis	e health and safety skills and awareness of handling medicines.		
The incr	The increase knowledge of the effects and dangers of smoking.		
To explo	To explore feelings around smoking and smokers.		
To reinfo	To reinforce awareness of peer pressure.		
To help	children say no to cigarettes.		

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
 What kind of drugs are these? 	 Suggested Teaching and Learning Activities Card sort activity in small groups of 4 – 12 cards with the following on them: Wine, beer, gin (types of alcohol) Benson and Hedges, Superkings, Silk Cut (types of cigarettes) include e-cigarettes Tippex, glue, marker pens (types of solvents) Cough syrup, asthma inhaler, Calpol (types of medicines) Give each group a large piece of paper, divided into 4 equal sections. The children arrange their cards into the 4 	Resources	Key VocabularyAdviceAdviseAlcoholAttitudeCigarettesConsequencesFactIllegal DrugsLawsOpinion
	 groups (check answers) Ask if there are words to describe each category, e.g. alcohol, tobacco, solvents, medicines. Mention the fifth group of drugs – illegal drugs. See if they can: Name 2 others drugs in the categories 		 Physical Health Recover Rules Rules Solvent
	 Describe the effect the drug has Describe a danger of taking the drug Share results, checking accuracy with other children Give the children a simple quiz, e.g. 'Medicines are Drugs' quiz and discuss answers 		• Warning
• What helps me to get better?	Revise body systems with the children and explore:		1

	Thindry Tersonal, Social and Treatin Education Schen	······································	
	 How the body deals with germs, viruses and 		
	diseases		
	• Role of drugs in helping deal with diseases and the		
	role of the immune system (germ buster) which the		
	body uses to protect itself		
	• The quickest and slowest ways in which drugs work		
	in the body and why, e.g. inhale, inject, sniff and		
	swallow		
	\circ The fact that drugs are substances which change		
	the way people feel and behave		
	• Ask how children can help medicines work in order to get		
	better		
	 Following instructions 		
	\circ Only taking the right dose at the right time		
	 Only taking drugs with adult supervision 		
	 Talking to someone 		
What are the facts about	Show the class a set of empty cigarette cartons		
smoking?	Ask what is written on the cigarettes packs, i.e.		
	Government Health Warning and levels of tar and nicotine		
	Ask the name of the drug which cigarettes contain		
	(nicotine) Mention that e-cigarettes contain the drug		
	nicotine.		
	Introduce 'Smoking Machine' to children. Make the bottle		
	smoke a cigarette. Extract the blackened cotton wool and		
	show the children. Explain that people's lungs become		
	black when they smoke. Ask the children to smell the		
	cotton wool and describe. Do they recognise the smell?		
	• Ask are there any drugs which can be smoked? (e.g.		
	Cannabis)		
	Ask children to put their hand up if they know someone		
	who smokes. How do they feel about it? Write words on		
	a board – explain you want to find out how the class feels		
	about smoking so that they are individually to answer to		
	answer questions on attitudes to smoking, e.g. what		

Page 57 of 108

	Primary Personal, Social and Health Education - Scheme	e of Work for Years 1-6	School Improvement Service
N N	vould you do if someone offered you a cigarette? What		
N N	vould you do if someone offered you an e-cigarette? How		
N N	vould you feel if you had to sit in a room full of people		
S	moking? Do you think there should be more places		
N N	where smoking is not allowed? If yes, give examples. If a		
fr	riend was smoking, how would you feel?		
• Ir	n groups, ask pupils to list as many reasons as possible		
fo	or a) why people should not smoke and b) what		
e	ncourages them to smoke. Share the lists, e.g. bad for		
h	ealth, cost a lot, may see others doing it, may want to		
k	now what it is like, may think it is grown up, ignorance of		
h	ealth risks		
• T	ell a story which involves a group of friends finding a		
	acket of cigarettes and a box of matches in the		
p	layground. One person picks them up, opens the		
Ci	igarette packet, takes a cigarette out and offers it to you:		
	 Draw a picture of what happens next – what do you 		
	do and how would you feel if one of your friends		
	offered you a cigarette?		
	\circ Why do you think a friend might offer you a		
	cigarette?		
	Discuss pressure from others – could they be persuaded		
to	o take a cigarette? Role play and point out any good		
р	hrases/actions which help resist peer pressure		

Page 58 of 108

Year 4 Theme: Citizenship and Environmental stability

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
 How can we use water responsibly 	 Consider how much water we use each day from getting up and going to bed. List uses and discuss, divide the uses of water into luxury and necessity Compare costs of range of bottled water to tap water 	www.unicef.org.uk/teacherzone	 Attitudes Consumption Cost Environment
How can we save water?	 Consider water consumption facts to make children aware of how much water they use. Children to estimate how much water it takes, e.g. taking a bath, washing the car, watering the garden in summer, filling a paddling pool, etc. Discuss strategies that could be employed to save water, children tasked with conveying this message throughout and at home 		 Luxury Necessity Responsibility Save Usage Values Wastage
How can we promote responsible water use?	 Produce class 'Water Charter' to reflect the UN Convention of the Rights of the Child, for example: "In our class we are going to to save water" "Our aim is to" Discuss 'should we be allowed to use as much water as we want?' This could take the form of a debate regarding whether or not all homes should be equipped with water meters or not Consider how communities in third world countries conserve water 	www.oxfam.org.uk Go-Givers lesson: 'Water: Our Most Precious Resource'	Water Rates

Rotherham

Year 4

Theme: Citizenship and How do rules and laws affect me?

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
 Why do we have rules? Are these rules fair? 	 In groups, children play board games, after 10 minutes ask them to stop playing and discuss the rules. Why are rules needed? What would happen if there were no rules? It is important to point out that rules ensure fairness In groups, lists the rules they follow in difference situations at home, e.g. watching TV, at bedtime, doing chores. Discuss and compare. What other kinds of rules do they follow, e.g. at school, playing sport, etc. Why are those rules needed? Who makes rules and laws? Are the rules fair to everyone? What happens when rules are broken? Share discussion and think about what they would do if they wanted a rule to be changed. Point out when everyone has a say, this is 'democracy' and that children can take part in 'democracy' by having a say in their school Working in pairs, list 3 rules they need to follow: In school At home For each rule, discuss the below and feedback to whole class: Why do they need the rule? Is the rule fair? What happens when the rule is broken? Would we like to change the rule? 	QCA Citizenship Unit 8: How do rules and laws affect me? Go-Givers lesson: 'When is Enough, Enough?'	 Choices Choices Councillor Decision making process Democracy Democracy Fair Governor Influence Influence Influence Invest Laws Loan Negative Peer Pressure Positive Resist Risk Rules Temptation Unacceptable
 How can I affect rules? What is democracy? 	 Would we like to change the rule? Reflect how rules are made for classroom, playground or school. Ask children to suggest any rule they think could be improved or propose a new rule. Refer to the rule of class/School Council and how they are involved in decision making. Ask children to decide any new rules/changed rules they would like to take to School Council. This is 'democracy' Children to look up 'democracy' in the dictionary and write down in 		• Unfair

	Primary Personal, Social and Health Education - Scheme of Wo	ork for Years 1-6	School Improvement Service
Why are some rules broken?	• Ask children to consider rules/laws that they know have been broken in school/wider community, e.g. misusing play equipment, playing football in quiet areas, distracting others from work, causing damage to a bus shelter, etc. Discuss what happened, whether there were any victims, if it was dangerous, etc. Children create a TV news report on what happened and why the rule was broken		
Am I influenced, if so, how?	• Children reflect on the daily choices they make and what influences them, e.g. wanting to be like their friends. Identify positive/negative influences and discuss when an influence becomes a pressure. Ask them to discuss peer pressure and to identify ways of resisting temptation. Children to work in small groups and present to class in a style of their own choosing	QCA Citizenship Unit 8: How do rules and laws affect me? Go-Givers lesson: 'It's your choice'	
What influences how I behave with money?	 Children reflect on what they can do with money: spend, save, give, loan and invest Who/what influences them regarding what they do with money? Explore the notion that there are some things people have to buy and other things that we choose to buy (needs and wants) Write a children's guide/create a display on the five things that you can do with money: spend, save, give, loan and invest, with the keyword of 'risk' linking 'loan and invest' 	pfeg 'Learning about Money in the Primary Classroom' Pg. 68-69

Rotherham

Year 5: Term 1.1

Theme: The caring school and Bullying, pressures and risks

Learni	ng Objectives:
R2c	That healthy friendships are positive and welcoming towards others, and do not make others feel lonely or excluded.
R2d	That most friendships have ups and downs, and that these can often be worked through so that the friendship is repaired or even strengthened, and that resorting to violence is never right.
R2e	How to recognise who to trust and who not to trust, how to judge when a friendship is making them feel unhappy or uncomfortable, managing conflict, how to manage these situations and how to seek help or advice from others, if needed.
R3a	The importance of respecting others, even when they are very different from them (for example, physically, in character, personality or backgrounds), or make different choices or have different preferences or beliefs.
R3d	The importance of self-respect and how this links to their own happiness.
R3e	That in school and in wider society they can expect to be treated with respect by others, and that in turn they should show due respect to others, including those in positions of authority.
R3f	About different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and how to get help.
R3g	What a stereotype is, and how stereotypes can be unfair, negative or destructive.
R4b	That the same principles apply to online relationships as to face-to face relationships, including the importance of respect for others online including when we are anonymous
R5f	How to ask for advice or help for themselves or others, and to keep trying until they are heard.
R5g	How to report concerns or abuse, and the vocabulary and confidence needed to do so.
R5h	Where to get advice e.g. family, school and/or other sources.
H1h	That bullying (including cyberbullying) has a negative and often lasting impact on mental wellbeing.
H2e	That the internet can also be a negative place where online abuse, trolling, bullying and harassment can take place, which can have a negative impact on mental health.
H2g	Where and how to report concerns and get support with issues online.
To kno	w it is their right not to be hurt and to live without fear.

 What is the risk of being bullied outside school? What is the risk? 	 prejudice based language, how to respond and ask for help) Circle Time activity: When I was called a name I felt I think people who call names are Knowing about bullying makes me feel I think a person who is bullied feels I think a person who bullies is Use conscience corridor activity – children line up and make an archway and the bully walks down the middle, children in the archway shout out what the bully is thinking as he / she walks passed them. Repeat with the victim walking down the corridor. List with the children all the places they go beyond school and home? Talk about the risk of being bullied if they go anywhere – alone, with families, someone they have just met, etc. Provide the children with, or ask them to devise, a rating scale of being bullied. Get them to think of different situations and to relate them to the scale. How could they decrease the risk? Who can you talk to? Discuss inner network of support available and NSPCC etc. ways to report worries. Recap previous lesson of organisations who can support. Include reporting online concerns too. Discussed online bullying and scenerios. Refer to Be Internet Legends lesson ideas. 	Be Internet Legends – Be Internet Kind – Lesson Plan How can I stand up to others online? P 41	 Survey Teasing

Updated October 2019

Page 65 of 108

Year 5: Term 1.2 Theme: Me and my relationships

Learni	ng Objectives:
R1b	The characteristics of healthy family life, commitment to each other, including in times of difficulty, protection and care for children and other family members, the importance of spending time together and sharing each other's lives.
R1d	That stable, caring relationships, which may be of different types, are at the heart of happy families, and are important for children's security as they grow up.
R1e	That marriage represents a formal and legally recognised commitment of two people to each other which is intended to be lifelong.
R3h	The importance of permission- seeking and giving in relationships with friends, peers and adults.
R3b	Practical steps they can take in a range of different contexts to improve or support respectful relationships.
R4d	How to critically consider their online friendships and sources of information including awareness of the risks associated with people they have never met.
H1b	That there is a normal range of emotions (e.g. happiness, sadness, anger, fear, surprise, nervousness) and scale of emotions that all humans experience in relation to different experiences and situations.
H1c	How to recognise and talk about their emotions, including having a varied vocabulary of words to use when talking about their own and others' feelings.
H1d	How to judge whether what they are feeling and how they are behaving is appropriate and proportionate.
To kno	w what is meant by love.

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
 How can I cope with strong 	• Teacher led discussion about strong feelings – when did they		Attraction
feelings?	have them? How did they cope? How do we deal with other		Attraction
-	people's strong feelings? Ask children to role play or talk about		Death
	situations, e.g. losing a toy, learning a pet has died.		Grief
	• Children to make an emotions board game. Draw emojis or		Loss
	write words to describe feelings. Go around the board with a		Love
	partner and when land on an emotion to share with their partner		Love
	an example of when they have felt that emotion.		Negative
• What do I mean when I talk	Ask children to describe, draw or talk about:		Positive
about 'love'?	 One thing they love and care about 		Positive
	 Someone they love and care about 		Puberty
	Collect the ideas into two columns and talk about differences		Refuge
	Lead onto discussions about:		Respect
	• The way loving relationships can grow and change		Secrets
	especially at adolescence		Separation
	 Falling in love/sexual attraction 		Sexual

			- 🔝 Rotherham <
	Drimon Demonal Social and Haalth Education Scheme of	Work for Voors 1 C	School Improvement Service
	 Primary Personal, Social and Health Education - Scheme of Ask children to explain: Falling for someone Loving someone Falling out of love 		SexualStrong feelings
How can we make relationships grow and last?	 Falling out of love Group and pair activity – what are the daily needs of: Pets People Add a relationship column and think about how relationships are 'fed' and made stronger Pairs or circle time activity: "When I break off a friendship I feel" "When my friend breaks off a friendships I feel" Explore positive as well as negative feelings Move onto other relationships (discuss online relationships), including any which cause the children concern: To reinforce that their bodies belong to them To practice strategies for refusal 		
What are the characteristics of a healthy family?	 Discuss difference in families, refer to CHIPS list of books Debate why people get married? Arguments for and against. Set up as a formal debate, children to write their own speeches either for or against marriage, can they persuade anyone to change their opinion? 	CHIPS materials	
Is it ok to share a secret?	 Expect Respect Toolkit: Y5, Section 2: Secrets and Stories. Use activities relating to loss via controlling relationships and what to do if worried about a secret Discuss support networks from previous sessions. Map out according to the situation and who they feel they could talk to, also discuss wider organisations. 	Expect Respect Toolkit Section 2: Year 5	
How can I cope with loss and separation?	 Discussion around the strong feelings involved in separation, loss, death and grief Class discussion on feelings of losing someone important, e.g. pet, favourite possession Repeat You tube video from Y3 – Story "The heart in the bottle" <u>https://www.youtube.com/watch?v=Aj5ISmhUhhM</u>

Updated October 2019

Page 67 of 108

	Primary Personal, Social and Health Education - Scheme of Work for Years 1-6	Rotherham School Improvement Service
Memories – sad and happy times	 Collage of pictures and quotations which describe their happy experiences illustrated with stories and poems, maybe a kennings poem that can be performed as a rap. Repeat activity, this time looking at the saddest times they remember What have they learnt listening to others? 	

Year 5: Term 2.1 and 2.2 Theme: Healthy lifestyles and online safety

Learni	ng Objectives:
H1a	That mental wellbeing is a normal part of daily life, in the same way as physical health.
H1e	The benefits of physical exercise, time outdoors, community participation, voluntary and service- based activity on mental wellbeing and happiness.
H1f	Simple self- care techniques, including the importance of rest, time spent with friends and family and the benefits of hobbies and interests.
H1i	Where and how to seek support (including recognising the triggers for seeking support), including whom in school they should speak to if they are worried about their own or someone else's mental wellbeing or ability to control their emotions (including issues arising online).
H1j	That it is common for people to experience mental ill health. For many people who do, the problems can be resolved if the right support is made available, especially if accessed early enough.
H2a	That for most people the internet is an integral part of life and has many benefits.
H2b	The benefits of rationing time spent online, the risks of excessive time spent on electronic devices and the impact of positive and negative content online on their own and others' mental and physical wellbeing.
H3a	The characteristics and mental and physical benefits of an active lifestyle.
H3d	How and when to seek support including which adults to speak to in school if they are worried about their health.
R2a	How important friendships are in making us feel happy and secure, and how people choose and make friends.
R3d	The importance of self-respect and how this links to their own happiness.
R4a	That people sometimes behave differently online, including by pretending to be someone they are not.
R4c	The rules and principles for keeping safe online, how to recognise risks, harmful content and contact, and how to report them.
R4e	How information and data is shared and used online.
H2f	How to be a discerning consumer of information online including understanding that information, including that from search engines, is ranked, selected and targeted.
To und	erstand the importance of self-image.

Key questions / Ideas /	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
Concepts			
• Why do we use the internet?	 Mind map as a class all of the uses for the internet. 	www.bbc.co.uk/teach/class-clips-video/rse-	Acceptance

How can restricting time spent online improve emotional health and wellbeing. Children design a timetable that could support this – agree to follow for a week and evaluate at the beginning of the next lesson. 	Twinkl free Mental health pack	

Page 71 of 108

Year 5: **Term** 3.1

Theme: Growing up – Relationships and responsibilities of puberty

Learni	ng Objectives:
H1a	That mental wellbeing is a normal part of daily life, in the same way as physical health.
H8b	About menstrual wellbeing including the key facts about the menstrual cycle.
H1b	That there is a normal range of emotions (e.g. happiness, sadness, anger, fear, surprise, nervousness) and scale of emotions that all humans experience in relation to different experiences and situations.
H1d	How to judge whether what they are feeling and how they are behaving is appropriate and proportionate.
H1i	Where and how to seek support (including recognising the triggers for seeking support), including whom in school they should speak to if they are worried about their own or someone else's mental wellbeing or ability to control their emotions (including issues arising online).
H8a	Key facts about puberty and the changing adolescent body, particularly from age 9 through to age 11, including physical and emotional changes.
R3h	The importance of permission- seeking and giving in relationships with friends, peers and adults.
R5a	What sorts of boundaries are appropriate in friendships with peers and others (including in a digital context).
R5c	That each person's body belongs to them, and the differences between appropriate and inappropriate or unsafe physical, and other, contact.
To und	erstand that feelings can influence behavior and vice versa.
To emp	pathise with the feelings of other people.

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
• How do we change?	 Ask the pupils to draw a quick picture of a child (a stick-person is fine) the same age as them. Now ask the pupils to think about the changes that will happen to that child as they develop into a teenager. Ask pupils to write the changes around their picture. Encourage them to write as many ideas as they can think of. Pupils work individually. Remember not to prompt them in any way. When finished, ask them to put their name on their work and collect them in. Check through them, noting responses and any misconceptions that need addressing. Use a dictionary to find out the meanings of the words 'puberty' and 'adolescence'. Write them up and display the best ones Organise pupils into small groups and display the following questions. Ask pupils to discuss the answers in their groups. Qu. Do boys and girls start puberty at the same time? 	Use an "Ask it Basket" Lesson 1 - Full lesson plan and resources available via Medway Primary PSHE Education. Link available on RoSIS website <u>https://www.always.co.uk/en-gb/puberty-</u> <u>education-resources</u>	 Absorb Accept Affects Age Angry Average Bad Behaviour Blood Body hair Boys Breaking Breasts Breasts

			Rotherham
	 Primary Personal, Social and Health Education - Scheme of A: Usually, puberty starts between ages 8 and 13 in girls and ages 9 and 15 in boys. This wide range in ages may help to explain why some young people still look like children whereas others the same age look more like adults. Qu. Will these changes happen to everyone at the same time? A: Puberty starts when your body is ready. It's a bit like when you start to lose your milk teeth—it happens to everyone at different times. Qu. Why are these changes happening? A: Puberty is a time when someone's body begins to develop and change as they mature from being a child to an adult. During puberty, your body will grow faster than at any other time in your life—except for when you were a baby. Use scientific vocabulary for external male and female body parts/genitalia to label external changes to the body. See Medway resources. 		Rotherham School Improvement Service Broader Changes Cheerful Chest Choosing Deciding Delighted Develop Disgusted Egg Ejaculate Embarrassed Emotions Erection Fed up
Which changes can we control?	 Ask the children to think about some changes that occur which they can control and write up answers, e.g. clothing, friends, food, leisure activities and then think of ones they cannot control, e.g. hair growing under arms, developing breasts, voices deepening in boys, etc. Use BBC Clip – Body image – what is perfect? (check content before use) Ask the children to think of all the ways they have changed in the last 3 years. Ask them to make 3 lists: appearance, personality, relationships. Ask them to suggest changes they would like to make now. Write a list of "What I'd like to change about me". Next to it write "What can I do about it?", e.g. What I'd like to change about me What can I do about it I'd like to stop blushing Try not to worry so much I'd like to be more energetic Do more exercise 	Use an "Ask it Basket" <u>https://www.always.co.uk/en-gb/puberty-</u> <u>education-resources</u> BBC clips	 Feelings Fertilised Flow Frightened Furious Glad Growing Growing up Hair (pubic) Happy Heavy Hips Hips Hormones Hurt Light Lining

Primary Personal, Social and Health Education - Scheme of Work for Years 1-6

	 Ask pupils what they think might be causing Taz to feel like this. What would they suggest Taz does? Hair in Funny places book - Read the story to the class. Have a brief discussion about the physical changes that happen to bodies during puberty, referring to the book as necessary and reminding pupils of the previous lessons on puberty and change. Next ask the pupils to think about some of the emotional changes they read about in the book (pages 11, 13–14, 21, 24, 27–28). Record the pupils' responses on the whiteboard. Display the following labels in different corners and sides of the classroom: Talk to friends • Talk to a family member • Talk to a teacher • Find out from a website (see Teacher's Notes) • Read a book about it • Something else • Nothing Ask pupils to stand in the centre of the classroom. Read aloud one of the following sentences and ask them to move to the label that best expresses what they think the young person should do. Invite individuals to explain their thinking and discuss each option in terms of effectiveness and limitations. Take each statement in turn repeating the activity. Taz feels moody all the time and Dad has told Taz to 'snap out of it' Brook is feeling worried about the physical changes that will happen Faris feels angry about really small things and shouts at his mum which upsets her Jules has a crush on someone in the same class Rabiah is feeling anxious because she has just started her period and 		 Nervous Others Penis Periods Periods Physical Puberty Puberty Pubic Hair Responsibility Sad Sanitary towel Scared Sex organs Shoulders Sperm Start Strong Stupid Taller Tampon Thrilled Underarm Understand Unhappy Uterus
Periods – what do I know?	 is at school Ask the children to share what they already know about periods. Dispel any myths or inaccuracies Give individuals the opportunity to approach class teacher/School 	https://bettyforschools.co.uk/resources/8- 11-year-olds	VaginaVoiceWet dreamWider

Page 74 of 108

	Primary Personal, Social and Health Education - Scheme of	Work for Years 1-6	ol Improvement Service
	 Nurse privately to discuss any worries/concerns about menstruation Show the Medway video that explains the menstrual cycle. Pause the video if required after each section to ensure that the pupils understand what is happening. You might discuss that people sometimes say that starting periods is when a girl's body becomes able to have children. (Although it is possible for a girl to become pregnant, if she has sex, during the month before her first period starts). Although starting periods is a sign that a girl's body is preparing for adulthood, there are other aspects of growing up that means their body is not ready yet to have a baby. Now may be a good time to show examples of sanitary pads, tampons and reusable sanitary protection (although this is covered in further detail in the next lesson). Explain how they are used, and that it is a personal choice about which to use, which should be discussed with a trusted adult at home. 	Lesson 2 - Full lesson plan and resources available via Medway Primary PSHE Education. Link available on RoSIS website. Check content before delivery. https://www.always.co.uk/en-gb/puberty- education-resources School Nurse	• Womb
How do boys change?	 Class teacher to lead discussion that it is not only girls who have things to cope with during puberty (e.g. periods, breast development) Ask class if they know any things that happen to boys at this time (e.g. voice breaking, body hair, wet dreams) Ask class to look at things which happen just to girls, just to boys or to both Make a diagram of two circles which overlap, put things which happen just to girls in one circle, just to boys and to both in the overlap, e.g. Give the opportunity for boys to talk to the School Nurse if they have any worries/concerns around puberty 	Lesson 2 - Full lesson plan and resources available via Medway Primary PSHE Education. Link available on RoSIS website	

Page 75 of 108

Year 5: Term 3.2 Theme: The world of drugs

Learnir	ng Objectives:				
H4c	The characteristics of a poor diet and risks associated with unhealthy eating (including, for example, obesity and tooth decay) and other behaviours (e.g. the impact of alcohol on diet or health).				
H5a	The facts about legal and illegal harmful substances and associated risks, including smoking, alcohol use and drug taking.				
H6a	How to recognise early signs of physical illness, such as weight loss, or unexplained changes to the body.				
H7a	How to make a clear and efficient call to emergency services if necessary.				
H7b	Concepts of basic first aid, for example dealing with common injuries, including head injuries.				
To help	children acquire the skills and ideas to enable them to resist early experimentation.				
To unde	To understand the importance of alcohol on physical and mental health and lifestyles.				
To offe	To offer a more realistic view of what addiction can mean.				
To look	To look at risk assessment linked to personality.				
To learı	n about different reasons why people do or no not drink alcohol.				
To refle	ect on the impact of one's behavior on others.				

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
What does healthy look like?	Children to draw/mind map characteristics of a healthy person, label or add to mind map what supports these characteristics (sleep, diet, positive mind, etc)		 'Hooked' Addicted Attitude
	What could be an indicator that someone is physically unwell? What advice could you give that person>		Cultural Danger
 What does it mean to be addicted, dependent or hooked? 	 Think about a person who is hooked/addicted to something, e.g. gambling, play station, arcade games, exercise, food, cigarettes, alcohol, other illegal substances. Do they know someone who is addicted to something? What happens if they cannot do/have what they are addicted to? Make sure you make the distinction between physical and psychological (mental) addiction – what is the difference? Draw such a person 		 Dependent Experiment Fact Factual Hazard Hearsay Long term effects Opinion
	 Add words/phrases to describe what being addicted can mean How the person/character looks, feels and behaves The possible outcomes of being addicted, e.g. health, 		PersonalityPressureReflection

			C Pothorham
	Primary Personal, Social and Health Education - Scheme of Wo	ork for Years 1-6	School Improvement Service
	 behaviour, self-esteem, financial consequences, vulnerability to exploitation/grooming The possible effects on friends, family and community Where could this person go for help (staff and/or friend/family of the person). Where can you find information on helping agencies? CHILDLINE Ask the children to imagine their character is forced to give up what they are hooked/addicted to. How would the characters feel physically and mentally? Draw a circle of feelings to depict this 		 Resistance Risk Short term effects Situation Source Units
What do we know about alcohol?	knowledge and understanding of alcohol, their attitudes to To drinking and their knowledge to the law concerning young people and alcohol (18yrs in most cases)	CA Drug, Alcohol and obacco Education ne World of Alcohol	

	Primary Personal, Social and Health Education - Scheme of Work for Years 1-6	School Improvement Service
	 Ask the children to explain how knowing about units can help people keep within the recommended limits Research sources of information and advice both inside and outside school, e.g. DrinkLine, Alcohol Concern website 	
 What do we think about alcohol and related issued? 	 Give the children 'character cards' representing people with different attitudes to drinking alcohol, e.g. An adult who drinks a glass of wine each day A person who gets very drunk at the weekend A person who doesn't drink alcohol at all because of their religious of other beliefs A person who is on medication and doesn't drink alcohol at all A person who used to drink whisky heavily and now doesn't drink at all A person who does not drink because they do not like it In pairs or as a class, the children discuss the reasons why each character does or does not drink alcohol. Reasons are noted on the board or on individual sheets. Explore reasons for not drinking, such as loss of ability to make judgements, effects on health and religious/cultural reasons. Discuss other reasons not covered by the characters. The children could role-play the characters taking to each other, explaining their views on drinking Discuss how a person who drinks alcohol might affect others around them Individually the children write down their own attitudes to drinking, giving a reason for their views. They could share their ideas with a partner The children develop short dramas, write a story or cartoon board to explore what could happen when a group of friends go out, some of whom drink. These should show: Why some people want to drink and some don't How someone resists pressure from others to drink too much when they don't want to

Year 5 Theme: Citizenship and Political literacy

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
• Do I know the difference between fact and opinion?	 Gather a collection of articles from newspapers and magazines and look for similarities and differences. Children discuss how each piece is presented and distinguish between fact and opinion 	QCA Citizenship Unit 11	AdvertisementChoicesConflictingDecision
Can I believe the media?	 Explore what is meant by 'bias' in the media. Is there any bias in the reporting of the articles? Is bias wrong in a news item? Why? Show the children a children's TV programme and newspaper article from the same day. Are they similar of different? Discuss Extension Activity – The children could work together to prepare articles for the school newspaper. Contributions could be sought from the whole school community. Children will need to consider how editing decisions will be made and what information is to be published 		 Influence Media Messages

Page 81 of 108

Rotherham

Year 5

Theme: Citizenship and the consequences of inequality

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
• What is inequality and what are its effects?	 Inequality activity – Divide the children into two groups, the 'haves' and 'have not's'. This could be based upon those who have access to drinking water for the duration of the session and those who do not Ask the children how this makes them feel, list the feedback from the children. Consider what a shortage of water means to people around the world and how this affects every day existence Conclude that inequalities exist and ask the children to consider the consequences that these can have 	QCA Citizenship Unit 8	 Attitudes Consequences Democracy Fair Inequality Need Responsibilities Rights Unfair
• What are the consequences of inequality?	 Following on from work undertaken examining inequality and the effects of inequality, ask the children to consider other examples of where inequality exists in the world, for example: The shortage of food for children in Africa The lack of medical care, e.g. vaccinations for some children, the effects of HIV/advanced HIV on children Child labour in Pakistan Education inequalities in developing countries Poor housing Favellas (shanty towns, Rio De Janeiro) What are the ethical dimensions to financial decisions? e.g. Fairtrade Consider the needs of the global environment and the impact of consumer choices 	 www.oxfam.org.uk/coolplanet www.fairtrade.org.uk pfeg 'Learning About Money in the Primary Classroom' Pg. 32 pfeg 'My Money Primary Toolkit' Teachers Booklet KS2 Pg. 54-57 Go-Givers lessons: 'Improving Life Chances', 'Mind the Gap' and 'The Food Shortage' 	

Rotherham

Year 5 **Theme**: Citizenship and the consequences of inequality – Book: Sweet Clara and the Freedom Quilt

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
• What is slavery?	 Ask the children what they think is meant by the term 'slavery' Clarify exactly what slavery means (definition: Slavery is a form of forced labour in which people are considered to be, or treated as, the property of others). Encourage the children to use the internet to locate accurate information regarding slavery Using the book 'Sweet Clara and the Freedom Quilt' as stimuli for discussion, consider how Clara's life is different from theirs. What can they do the Clara cannot? What does Clara have to do that they don't? Ask the children to reflect on the enormous differences between their life and the life that Clara led. Are they at all surprised by the enormity of these differences? 	Sweet Clara and the Freedom Quilt by Deborah Hopkinson ISBN 0-678-87472-0 Go-Givers lesson: 'Freedom'	 Ambition Aspiration Attributes Character Courage Emotional Empathy Free Freedom Helplessness Oppressed
• What does it mean to be free?	 Ask the children to consider how their lives compare to, for example, someone in prison or someone who lives in an oppressed country, e.g. a country at war (Afghanistan would be a good example to consider due to the current military operation of the UK in the country, there is extensive information available to children focusing on this) List how the UK differs from a country under oppression, how would it feel to live in such a country? Discuss helplessness and powerlessness and the effect that these feelings have on physical, emotional and psychological wellbeing 	Go-Givers lesson: 'Freedom Bird and the Arab Uprisings'	 Physical Powerlessness Self-belief Single-mindedness Slavery Strength Vision Wellbeing
 What attributes do we need to be in control of what happens to us? 	 Focus on Clara's character and discuss what it is about her that helps her find a way out. List, e.g. brave, courageous, intelligent, determined, believes in herself, etc. Can they relate these attributes to themselves Can they tell a story of how they took control of something in their lives in order to achieve a positive outcome?

School Improvement Service

Year 6: Term 1.1

Theme: The caring school and Growing up - relationships

Learni	ng Objectives:
R1b	The characteristics of healthy family life, commitment to each other, including in times of difficulty, protection and care for children and other family members, the importance of spending time together and sharing each other's lives.
R1d	That stable, caring relationships, which may be of different types, are at the heart of happy families, and are important for children's security as they grow up.
R1e	That marriage represents a formal and legally recognised commitment of two people to each other which is intended to be lifelong.
R2b	The characteristics of friendships, including mutual respect, truthfulness, trustworthiness, loyalty, kindness, generosity, trust, sharing interests and experiences and support with problems and difficulties.
R2d	That most friendships have ups and downs, and that these can often be worked through so that the friendship is repaired or even strengthened, and that resorting to violence is never right.
R2e	How to recognise who to trust and who not to trust, how to judge when a friendship is making them feel unhappy or uncomfortable, managing conflict, how to manage these situations and how to seek help or advice from others, if needed.
R3a	The importance of respecting others, even when they are very different from them (for example, physically, in character, personality or backgrounds), or make different choices or have different preferences or beliefs.
R3d	The importance of self-respect and how this links to their own happiness.
R3e	That in school and in wider society they can expect to be treated with respect by others, and that in turn they should show due respect to others, including those in positions of authority.
R3h	The importance of permission- seeking and giving in relationships with friends, peers and adults.
R4b	That the same principles apply to online relationships as to face-toface relationships, including the importance of respect for others online including when we are anonymous
R4d	How to critically consider their online friendships and sources of information including awareness of the risks associated with people they have never met.
R5f	How to ask for advice or help for themselves or others, and to keep trying until they are heard.
H1d	How to judge whether what they are feeling and how they are behaving is appropriate and proportionate.
To disc	uss what we mean by "going out" with someone and what we mean by love.
To lear	n how to make positive choices.
To know	w that choices have consequences.

Key questions / Ideas / Concepts Suggested Teaching and Learning Activities		Resources	Key Vocabulary

	Why do people get married?

Page 88 of 108

Year 6: Term 1.2 Theme: Emotions and transition to Secondary School

Learni	Learning Objectives:				
H1b	That there is a normal range of emotions (e.g. happiness, sadness, anger, fear, surprise, nervousness) and scale of emotions that all humans experience in relation to different experiences and situations.				
H1c	How to recognise and talk about their emotions, including having a varied vocabulary of words to use when talking about their own and others' feelings.				
H1d	How to judge whether what they are feeling and how they are behaving is appropriate and proportionate.				
H1i	Where and how to seek support (including recognising the triggers for seeking support), including whom in school they should speak to if they are worried about their own or someone else's mental wellbeing or ability to control their emotions (including issues arising online).				
H1f	Simple self- care techniques, including the importance of rest, time spent with friends and family and the benefits of hobbies and interests.				

Key questions / Ideas / Concepts	Suggested	Feaching a	nd Learning	Activities			Resources	Key Vocabulary
How am I feeling?	How did you know they were feeling like that?							AchievementApprehensive
	Name the feeling	What was their face showing?	What were they thinking?	What was their body doing on the inside?	What did they want to do?	What was their body showing on the outside?		 Celebration Change Influence
	Distressed	Eyes down, lips closed	I'm not happy here. I need out	Heart beating fast Feeling hot and cold	Run away	Goose pimples White face/ flushed face		NervousTransitionWorry
	Link into	different s	t to identify situations e.g t sports day	g. When I st	ood up in a	issembly I		
 To identify possible fears that the children may have and similarities and differences between primary and socondary school 	• Display pictures of secondary school and discuss possible worries/concerns over anxieties, e.g. "Many of you will be thinking ahead to a few months' time when you will be going to secondary school". As children discuss fears/similarities and differences, make				y of you wil I be going ies and diffe	Public Health England – Transition into secondary school lesson plan pack		
 secondary school To identify questions children would like to know about secondary school 	 a note on the board. These can then be transferred to form a list that can be re-examined after visit. Teacher led discussion / Circle time activity – list questions that need answers finding, re: transition/induction visit, e.g. personal 							
Interview an older child about		arning log/	-		-	-		

	Primary Personal, Social and Health Education - Scheme of	Work for Years 1-6	School Improvement Service
 their experiences Share their own experiences/feelings and concerns with others Display their knowledge of secondary school 	 Ask Liaison Officer from secondary school during pre-visit to primary, to answer pressing questions Invite a comprehensive Y11 pupil to school to be interviewed by class (This could form part of transition work) Activity – "A map to help me as I change school". Children can draw a map of transition and answer key questions along with way, e.g. What will I miss? Am I happy about it? etc Produce 'Top Ten Tips' for successful secondary transfer to give upcoming Y5's 		
 What do I know about transition? What do I know about secondary school? 	 Discuss what the word 'transition' means. In pairs, encourage the children to identify and consider points of change and transition that they have already experienced in their life, e.g. starting school, moving homes, etc. Children share views and consider choices involved in these changes and what influences the decision that they made? Are there any changes that they are looking forward to? Changes that they find worrying? Ask the children to complete a simple questionnaire about the move to secondary school. The class could then analyse the data to identify major worries and concerns of the whole class. (There will be common areas of concern). Discuss the questions/concerns during circle time or answers/solve the problems by using group problem solving skills 	QCA Citizenship Unit 12: Moving On QCA Citizenship Unit 12: Moving On	
 How can I find out more/prepare for transition to secondary school? What have I learnt about my transition to secondary school? 	 Use the school prospectus or welcome booklet of each of the new schools and invite the children to research practical information, e.g. What does the timetable include? What happens at dinner time? In pairs, children list and discuss 3 things they are looking forward to about moving to a new school and 3 things they have learnt or can help them cope with change. These points could be recorded in a Citizenship portfolio 		
What is Mindfulness?	 Discuss self-care-techniques and why they are important. Have a practical lesson for the children to experience mindfulness. Make Mala mediation beads or stress balls.

Page 90 of 108

Year 6: **Term** 2.1 and Term 2.2 **Theme**: Growing up - Responsibilities

Learni	ng Objectives:
H1a	That mental wellbeing is a normal part of daily life, in the same way as physical health.
H1c	How to recognise and talk about their emotions, including having a varied vocabulary of words to use when talking about their own and others' feelings.
H1d	How to judge whether what they are feeling and how they are behaving is appropriate and proportionate.
H1e	The benefits of physical exercise, time outdoors, community participation, voluntary and service- based activity on mental wellbeing and happiness.
H1f	Simple self- care techniques, including the importance of rest, time spent with friends and family and the benefits of hobbies and interests.
H1j	It is common for people to experience mental ill health. For many people who do, the problems can be resolved if the right support is made available,
	especially if accessed early enough.
H2b	The benefits of rationing time spent online, the risks of excessive time spent on electronic devices and the impact of positive and negative content online on
	their own and others' mental and physical wellbeing.
H3a	The characteristics and mental and physical benefits of an active lifestyle.
H3c	The risks associated with an inactive lifestyle (including obesity).
H4a	What constitutes a healthy diet (including understanding calories and other nutritional content)?
H4c	The characteristics of a poor diet and risks associated with unhealthy eating (including, for example, obesity and tooth decay) and other behaviours (e.g. the
	impact of alcohol on diet or health).
H6a	How to recognise early signs of physical illness, such as weight loss, or unexplained changes to the body.
H6f	The facts and science relating to allergies, immunisation and vaccination.
То ехр	ore the types of challenges that occur as children grow.
To help	children to face new challenges positively

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
What do we mean by	 Class teacher to lead discussion on what we mean by 'challenge' 	Premier League Primary Stars –	Access
challenge?	 What kind of things have been challenges to them? e.g. change 	resilience	Accurate
• What helps or hinders us when	to school, house or family structure, etc.		 Advantages
coping with challenge?	 How did they cope? What helped/hindered? 		Assertive
	 What sort of skills could they use to cope with challenges in the 		 Assess
	future?		Behaviour
	Class could design a flag or banner showing the skills, qualities and		Being realistic
	some of the strategies needed to cope with challenges in the future		Challenge

		<u> </u>	
			Rotherham
	Primary Personal, Social and Health Education - Scheme of Work	for Years 1-6	School Improvement Service
Looking at ways of dealing with challenge	 Class teacher to lead discussion on things needed to cope, e.g. accurate information, help and advice from others, personal qualities, link in to stereotypes, discuss people with disabilities and the challenges these people may face on a daily basis (use sports people and actors) In small groups, class can write and rehearse a role play of a challenging situation, showing various ways they might deal with the challenge In small groups, class can either design a board game highlighting some ways of dealing with different challenges/consequences of actions, or write a newspaper article on a real or imagined challenge that was successfully dealt with, or design a webpage to help others deal with challenges 		 Charity Choosing Communicate Confident Confident Consequences Cooperate Decision Difficult Disabled Discerning
How can I be responsible for me?	 Class teacher to talk with class about the jobs they do at home and school for which they are responsible. Ensure understanding of the word 'responsible' (use dictionary – discuss) Add up the amount of time under various headings each day, headings could include, school, watching tv, online, gaming, homework, with family, physical activity, etc Ask them to choose one job and mime it to a partner/class. Partner/class to identify job Compile list of jobs/responsibilities that children have at home and in school. Talk about how they feel doing them. Do they feel that they should be paid for doing chores? Should all children receive pocket money? Why do we have to do jobs? How do they help us become more responsible? How do they differ at different ages/stages? What about voluntary work, giving to charities? What impact does charity work have on EHWB? Brainstorm some of the responsibilities people have in childhood and compare to when grown up How and why do they change? 	Bank of England school resources pfeg resource – Pocket Money and Banking pfeg 'My Money Primary Toolkit' KS2 Teachers Booklet Pg. 26 and 66	 Doing it myself Effort Encourage Fair Feelings Good judgement Healthy Help Hydration Impact Judgement Losing control Me Mental Health Nutrition Others Personal Physical
 How can I take responsibility for myself? What are my rights? What are my responsibilities? 	 Class teacher to ask pupils to write on a piece of paper the answer to the question "Whose responsibility is it to keep me healthy and safe?" (Can be more than one person – a list). Share and record responses. Compile a wall story of 'People who keep me healthy and safe" 		Physical HealthPocket moneyPositivePositive

		^77	Rotherham
	Primary Personal, Social and Health Education - Scheme of Work	for Years 1-6	School Improvement Service
What does it mean to be healthy? (physically and	 Pupils to design a flower diagram with name and 'looking after myself' in the centre. Petals to be filled in with what they themselves can do to help. Draw on all previous learning (eating, exercise, sleep, online, friendships, etc.) Ensure mental wellbeing is enforced as part of a daily routine in the same way as physical wellbeing. Circle Time activity: "I am going to look after myself by" Discuss with children what we mean by 'rights', e.g. the way they should be treated, what should be provided for them and how they should not be treated. This might be extended to rights within children's friendships Ask the children to think about the word 'responsibility'. Write up ideas and discuss. In groups, ask different groups to draw up a list of responsibilities for children at different ages, e.g. 5, 10, 13, 16, and 18. Discuss. Also discuss responsibilities for looking after ourselves and responsibilities towards and for, other people This might develop into responsibilities in relationships. How should friends show responsibility for each other? How should children and parents show responsibility for each other? If the class are mature, they might explore how people involved in a sexual relationship should show responsibility Ask what the children know about laws. Discuss with them how laws are made and why we have laws, e.g. drink driving. Explain that we also have laws about sex and relationships, e.g. age at which you can marry, age of consent, adults having sex with children, rape, etc. Discuss What might happen if they're broken What they think about them 	Change for Life	 Positive attitude Predict Projudice Pro's and Con's Problems Realistic Responsibility Responsibility Responsibile Rights Saying no Self Esteem Sleep Support Support Support Treatment Violated Voluntary work Wellbeing Wise Work together
mentally)	 relationships/friendships, attitude, etc. Look at pressure from advertisements and famous people re 	Premier League Primary Stars – Self Esteem pack.	
	 How does it feel to be healthy/unhealthy? 		

٠

	Primary Personal, Social and Health Education - Scheme of Work	for Years 1-6	School Improvement S
	How does being healthy impact on our mental health?		
	 Immunisations – why they are important, when do we have them 		
What is a healthy diet?	 Use change for life resources and nutritional pyramid to design a healthy meal. Discuss impact of sugar and alcohol on a person's diet and health. Give children some statement cards that could be true, false or sometimes true/false – it is ok to be underweight but not overweight, drinking fruit juice is good for my teeth, an alcoholic drink is ok every day for an adults as long as they don't get drunk. My doctor can help me if I am worried about my weight. Look at statistics from England regarding obesity and discuss why this is an upward trend (convenience/junk food/ busy lifestyles) Look at 	Premier League Primary Stars - nutrition	
	nutritional value of a Big Mac.Discuss the NHS system and how people's lifestyle choices impact on it.

Page 94 of 108

Year 6: Term 3.1 Theme: Rollercoaster – The ups and downs of puberty

Learni	Learning Objectives:	
R3h	The importance of permission- seeking and giving in relationships with friends, peers and adults.	
R5f	How to ask for advice or help for themselves or others, and to keep trying until they are heard.	
R5g	ig How to report concerns or abuse, and the vocabulary and confidence needed to do so.	
R5h	Where to get advice e.g. family, school and/or other sources.	
H8a	Key facts about puberty and the changing adolescent body, particularly from age 9 through to age 11, including physical and emotional changes.	
H8b	About menstrual wellbeing including the key facts about the menstrual cycle.	

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
• What does puberty mean?	 Class teacher to ask class what we mean by 'puberty' and 'adolescence'. As a class or individually, use a dictionary to find out 	Dictionaries	AdolescenceAdore
	the meaning of these words (or refresh memories if done before)	Rollercoaster	Advertising
	Naming Body Parts exercise: Give a set of 'naming body parts' cards	Naming Body Parts exercise and	Angry
	to each group. Get them to match up correct term with definition	Growing	Aspirational
	card. Process.	Up game	Body hair
	Children can label body parts on body templates in Rollercoaster		• Boy
	resource. Label them in correct place and highlight those that will	Lesson 1 (Y6)- Full lesson plan and	Brand
	change.	resources available via Medway	Breasts
	Growing Up game: Divide class into groups and give each group a	Primary PSHE Education. Link	Caring

 Who are my support network? 	Why is a support network important?	NSPCC
	 Is your "go to person" the same for every situation? 	Childline
	Bring back the network of support from Autumn term, would the	
	children like to add any extra support networks onto their circle?	
	• Consider external support such as Childline, NSPCC, and GP.	
	• Discuss different ways to get help (write it down, phone, text, ask a	
	friend to get help for you)	
• Why can body image affect our	A lesson and resources on how the media influences out thoughts	BBC Clips
self-esteem?	and self-esteem in regard to body image, the tactics used by the	
	media to enhance photos and the importance of personal attributes	
	and human values over physical beauty.	
	 BBC Clips and lesson plan – What is perfect? 	
	https://www.bbc.co.uk/teach/class-clips-video/rse-ks2-body-image-	
	what-is-perfect/zhq3xyc	

It is recommended that teachers read and become familiar with the guidance notes which are in the Rollercoaster pack

- This is a sensitive topic. Pupils will need reminding that we are all different and we go through these changes at different times ٠
- If videos are to be used in this topic it is recommended that teachers view them beforehand to be familiar with content and approach
- Some Y6 teachers may wish to include human reproduction including conception (and that this can be prevented) developing links with the Science curriculum
- The national curriculum 2014 includes some changes to Science curriculum
- Pupils may prefer to work in single gender groups. The class teacher can decide when/if this is appropriate but it is recommended that the same work is done with both groups at all times
- It is recommended that a question box is used to de-personalise issues
- Menstruation can be a very scary subject for some children and as such, it should be handled with sensitivity
- Class teacher may wish to involve School Nurse to talk to pupils about menstruation and other issues around puberty,
- This is a sensitive topic and it may prompt disclosures from children. Teachers should be prepared for this and should know the school policy for dealing with such disclosures

Year 6: Term 3.2 Theme: The world of drugs and being safe

Learnir	ng Objectives:
H5a	The facts about legal and illegal harmful substances and associated risks, including smoking, alcohol use and drug taking.
R5h	where to get advice e.g. family, school and/or other sources.
H7a	How to make a clear and efficient call to emergency services if necessary.
H2a	That for most people the internet is an integral part of life and has many benefits.
H2b	The benefits of rationing time spent online, the risks of excessive time spent on electronic devices and the impact of positive and negative content online on their own and others' mental and physical wellbeing.
H2d	Why social media, some computer games and online gaming, for example, are age restricted.
H2e	The internet can also be a negative place where online abuse, trolling, bullying and harassment can take place, which can have a negative impact on mental
	health.
H2g	Where and how to report concerns and get support with issues online.
R4a	That people sometimes behave differently online, including by pretending to be someone they are not.
R4c	The rules and principles for keeping safe online, how to recognise risks, harmful content and contact, and how to report them.
To unde	erstand about the laws on drugs, alcohol and tobacco and about reasons for having such laws
To knov	w how to take part in a discussion or debate
To cons	ider other people's opinions and a range of relevant factors when making a decision
To deve	elop skills and awareness for dealing with drug related situations
To deve	elop and practice strategies for resisting peer pressure

Key questions / Ideas /	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
Concepts			
 What risks are associated with using the internet, messaging, apps, social media? 	 In small groups children to list the positives and negatives of using apps, messaging, social media, etc. Do an anonymous class survey to find out what apps/gmaes/social media the children use. From the information above, introduce children to the netaware site and look at some of the apps they use. Give reasons why they are not age appropriate. 	Net-aware.org.uk	 Alcohol Caffeine Cannabis Consequences Dealing Influence Inhale
What steps can you	Children to give 10 top tips on how to stay safe online.	http://www.safetynetkids.org.uk/personal-safety/staying-	Negative
take to ensure you	Consider that people may behave differently online and may	safe-online/	Over the

Page 99 of 108

(
are safe online?	not be who they say they are – how do you know?		counter
Who can you report	• Look at fake news, , can children identify what is real and	https://literacytrust.org.uk/programmes/news-wise/	Positive
an online concern	what is fake? Use News wise resources from The Guardian		Possession
to?	Literacy Project.		Possession
What do we already	Use a 'draw and write' activity, e.g. 'Jugs and Herrings' by		with intent to
know and	Noreen Wetton to assess the children's current levels of		supply
understand about	knowledge and understanding about medicines and drugs.	https://www.thegrid.org.uk/learning/pshe/drugs/materials/	 Prescribed
drugs?	Display and discuss the children's answers. Explain that		Situation
	drugs can include medicines, alcohol, tobacco, illegal drugs,		 Sniffing
What do we know	'legal drugs', glues and other volatile substances, as well as		 Solvents
about caffeine?	everyday substances such as caffeine.		 Stereotypes
	• Explore the amounts of caffeine in everyday food and drinks		 Supply
	compared to suggested consumption rates.		 Tobacco
	• Negotiate with children a definition of what is mean by the		 Volatile
	term 'drug'. Explore the fact that some are legal, some are		substances
	restricted, e.g. medicines, some are illegal to own, use and		
	supply to others		
What do we know	Write 'Solvents' and 'Volatile Substances' on the board and	https://www.thegrid.org.uk/learning/pshe/drugs/materials/	
about solvents?	ask what they mean. Has anyone seen/heard of someone		
	sniffing solvents/volatile substances? What would they/did		
	they do? Explore the difference between risk, danger and		
	hazard		
	• Give out a copy of the quiz with true/false answers and let		
	children fill them in. Discuss answers and clarify uncertainties		
	and allow class to ask questions. One of the questions could		
	be:		
	 "If a friend was sniffing solvents, I would 		
	a. do nothing		
	b. tell an adult		
	c. try to help them stop		
	d. try it myself		
	e. something else		
	 Explain and discuss this question as a class fully 		
	 Tell a story about 2 friends, one of whom notices the other is 		
	The a story about 2 menas, one of whom notices the other is		<u> </u>

	behaving strangely at school. It's funny but then Sally gets
	worried and tells Ben to behave normally. Ben says he can't
	because he's sniffed some gas and asks Sally if she wants to
	try some
	Ask/Write/Discuss:
	a. Reasons why Ben might be sniffing gas
	b. What can Sally do to help Ben?
	Develop ideas into role play, some to be performed in front
	of class. Focus the children's attention on the decisions the
	characters made. Were they sensible? Realistic?
	If a friend is doing something wrong, what can you do?
	What are the options? Discuss
• What influence does	In groups ask children: <u>https://www.thegrid.org.uk/learning/pshe/drugs/materials/</u>
peer pressure have	a. What people say to persuade others to take drugs,
on me?	e.g. make you feel if you don't want to join in
	b. What people can do to resist
	c. Where can people who have a drug problem (or
	someone close to them has a problem) get help?
	Explain that if you feel good about yourself, it will help you
	resist unwanted pressure from other people. Ask children to
	name 3 things they like
	a. About where they live
	b. Going out on their own or with friends
	c. About themselves – may need help with this one!
	Put children into groups. Ask each to do a role play based
	on the following:
	 2 friends trying to persuade 2 friends of same age to
	take a drug
	 2 friends trying to persuade 1 friend of the same age
	to take a drug
	\circ 2 friends trying to persuade 1 child of a younger age
	to take drugs
	\circ 2 friends trying to persuade 2 younger children to
	take drugs
L	

Page 101 of 108

	Primary Personal, Social and Health Educatio	Scheme of Work for reals 1 o	
	• Perform and discuss role plays. Ask each child to write down something they can do to resist unwanted pressure from other children. Share ideas with whole class. Display in speech bubbles		
What are the general drug categories?	 In smaller groups of four, on a large piece of paper ask the children to write as many drugs as possible they know that fit into the categories; one category per one piece of paper. Allow a short amount of time for the group to write on the paper then pass the paper to the next group and add more ideas to new sheet Categories: Prescribed medicines Over the counter medicines Solvents Nicotine – both in tobacco and in e-cigarettes Alcohol Illegal drugs Legal highs Display sheets, and look for and correct any inaccuracies Use the card game exercise in 'A Practical Guide for Primary School Teachers' (pg. 33-38) to clarify information about some of the drugs mentioned above Focus on illegal drugs Look out for stereotypes – challenge them. Ask do we feel the same about someone who uses illegal drugs and someone who uses illegal drugs and someone who uses legal highs or alcohol/nicotine. Or taking nicotine via tobacco in cigarettes or via e-cigarettes? It is important children are aware that although alcohol and nicotine are legal drugs they are harmful too 	http://www.quit.org.uk/wp- content/uploads/2017/09/PrimaryResourcePack.pdf	
What are the laws around drugs and	• Ask the children to identify drugs that are legal or illegal, drawing on their knowledge from earlier activities. Discuss		

Page 102 of 108

	Primary Personal, Social and Health Education - Scheme of Work for Years 1-6
 why do we need them? What do we know about drugs? 	 the reasons why laws restricting the use of drugs are made Explain to the children that they will work in groups to decide whether a new drug, e.g. a medicine or something that goes in a drink, should be legal or illegal. Explain that they will debate the issue and reach a decision through a vote. They will be able to suggest a total ban or laws to regulate the drug's sale or use and the punishments for breaking the law. Give the children information about the drug, e.g.: What it looks like How it is taken The way it makes people feel Its long and short term effects on the body To conclude the debate, each group takes a vote. Group representatives briefly explain their decision, with reasons, to the rest of the class. Remind the children of their definition of 'drugs' from their first activity Ask the children to fill in a reflection sheet with the new information on drugs they have learned about drugs? Facts – write down 3 facts you have about drugs? Facts – write down 3 opinions you will/will not do,
	i.e. "I will/will not"

Year 6 Theme: Money management and careers

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
 How do people get money and what is it spent on? To understand the value of money. What does it mean to budget? Spend or save? To understand that different jobs have different salaries and that good qualifications may lead to better opportunities 	 Paired activity – write down how many ways people can obtain money legally. Write down three things that they could do with that money. Discuss approximate cost of items and how people are encouraged to 'live within their mean' and what this means in a real life situation Teacher led discussion about budgeting. Explain to the children that they are going to have to plan a well-balanced healthy diet with varying budgets therefore cost the items they wish to buy. Discuss budget monitoring and control, and financial understanding Group or individual activity – Each pupil is handed an occupation card and a range of salary cards. They choose which they think is the most likely salary and report back to group or whole class. Discuss other values to a job, i.e. worth to the community, etc. Explore their desired lifestyle activity and the financial implications Information about annual salaries can be found at www.nationstatistics.gov.uk Discuss how different values influence how we spend our money. To consider why saving is so important. If applicable, discuss how School Council has been influential on purchasing resources and the process that has to be undertaken. Interview School Councillor/Bursar/Business Manager 	I Am, I Know, I Can Section 1 Pg. 32 Folens CPSHE Book 4 Pg. 12 pfeg 'Learning about Money in the Primary Classroom' Pg. 38 pfeg 'My Money Primary Toolkit' Teachers Booklet Pg. 58 pfeg 'My Money Week' Primary Resources Pack 2011 and 2012 – Scenario Cards pfeg 'Adding up to a Lifetime' pfeg 'What Money Means in Primary Schools'	 Ambition Aspiration Bank Budget/spend Building Society Career Career Officer Credit Debit Expenses Future Income/wage/salary Insurance Interview Interview Interviewee Loan/value/worth Rules and Regulations Save/savings Savings account Skills/training Succeed Tax
• To recognise that there are no such things as a boys/girls jobs	• Equal Choices, Equal Chances: Learning Area 3: There's no such thing as a boy's/girl's job. Explore a wide range of jobs while challenging preconceptions about who does different jobs	Equal Choices, Equal Chances: Learning Area 3	TeamworkWorking togetherWorld of Work
• To learn about the range of jobs carried out by people	 Discuss why adults go out to work. Ask children to form into small groups to consider questions they would like to ask about someone's job or voluntary work 	Ready to Go: Ideas for PSHE in KS2 Pg. 59

Year 6 Theme: Citizenship – Global citizenship

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
• What are our roots?	 Discuss what is meant by national and ethnic identities. Look at a world map. Identify the UK. Indicate as an example, the places your own parents, grandparents and earlier ancestors originate from Investigate your 'roots' using a mind map 	Ready to Go KS2 Pg. 17-18 Go-Givers lesson: 'Coming to Britain'	 Ancestors Celebrations Ceremonies Culture Culture Culture Customs
How am I different?How am I similar?	• Two children – make positive comparisons showing different and similarities. In pairs, make a grid to show similarities and differences. Process in full group – is there a gender bias? What other factors are important, e.g. religion?	Teacher's Handbook for PSHE and Citizenship: KS2	 Difference Difference Distance Ethnicity
• How are the other countries different from ours?	 Explain that you are going to take the children on a journey. Ask them to close their eyes and imagine what you are describing Working in pairs, describe their imaginary trip and the things they say. Each pair to read out one of the main similarities and one of the main differences between the country that they visited and this country Children paint a picture and write a story about the country they visited 	l Am, I Know, I Can Lesson 37	 Festivals Identity National Nationalities Origin Origin Products Race Regional Religious Similar Similarity Traditional Traditions Transport
 What different religions are there? How am I similar? What are the different attitudes to money in different religions and cultures? 	 Investigate religions of the world. Make a class collage to represent 'The World Family' As a class, draw up a calendar of events for different religions. Find out how these days are celebrated and use dance, drama, short stories and poetry to demonstrate some of them Using some stories, parables and traditions explore what different religions say about money. For example, why did Jesus want to stop the traders from selling things in the temple? Why do guests at a Sikh wedding cover the bride in money? Look at Zakat (charity) which is one of the main pillars of Islam. Using the internet research some religious charities such as CAFOD, Jewish Care, Hare Krishna, Food for Life, etc. Find out why certain 	Go-Givers lesson: 'The Golden Rule'

from?	obtained from different parts of the world. Plot on a world map	
	and work out the distance	

Year 6 Theme: Citizenship – Global difference and diversity

Key questions / Ideas / Concepts	Suggested Teaching and Learning Activities	Resources	Key Vocabulary
How can we become active and responsible global citizens?	 Consider the similarities and differences between how we value water in the UK and how it is viewed and valued in a contrasting third world country, e.g. Ghana Photographs can be an excellent vehicle to stimulate discussion in this area 	QCA Citizenship Unit 5: Living in a Diverse World	 Active Community Difference Fair Trade Global
 How do charitable organisations impact globally? 	 Find out about the impact of the work of charitable organisations, for example, Oxfam, Comic Relief, Water Aid, etc. Oxfam and Unicef work with communities overseas to assist them in becoming self-sustaining. Research how this is done and the positive effects which results from this. (Independent research project) 	'Global Focus Weeks in Primary Schools – A Guide for Teachers' Go-Givers lesson: 'The Gift of Sight'	 Identify National Regional Responsibility Similarities Sustainable Values
 How can we maintain quality of life without damaging the planet for future generations? 	 Engage the children in a debate regarding sustainable development. Consider the impact of the Fair Trading initiative and how awareness has been raised over recent years. For example, Supermarket products – orange juice, tea, coffee, chocolate, fruit and vegetables, clothing. (Fair Trade Fortnight) 	'Global Focus Weeks in Primary Schools – A Guide for Teachers' <u>www.fairtrade.org.uk</u> Go-Givers lessons: 'Sustainable Development' and 'Fair Trade: Have a Banana'
